AUGUSTA MILITARY ACADEMY
FORT DEFIANCE, VIRGINIA

Foreword

Augusta is perhaps all things to all cadets. Therefore, anything that one of us, who has been a part of the great heritage that is Augusta Military Academy, says will be inadequate to express the feeling of all. Yet, here in these pages of this book, we have tried to create an impression of the activities and cadets of this school. Through the use of our formal pictures and many informal shots, we hope that pleasant memories will be relived and that each one of us will feel the role which Augusta has played in our lives and will continue to play in the future. Each of us has been a real part of the life of this school, and it has been a vital part of ours.

Time continually changes the group that is here, and the group is continually changing the times at Augusta. The impact of our stay here will never stand out clearly, but the aim of this book is to say that we have played our part, and when the sun sets on the finale of this senior class, all will know that we have left our mark.

DEDICATION

For thirty-two years, every cadet who has attended Augusta has found a friend, counselor, and teacher in the gentleman who has given of himself in every way to make the Academy a home to each boy.

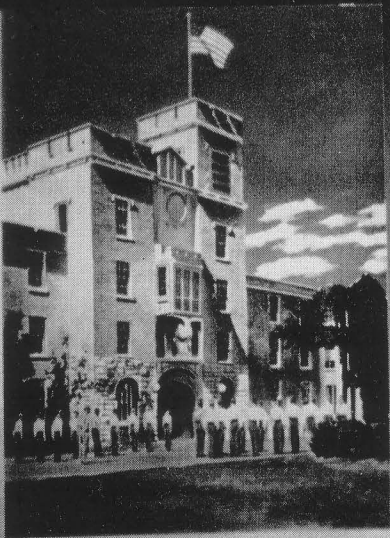

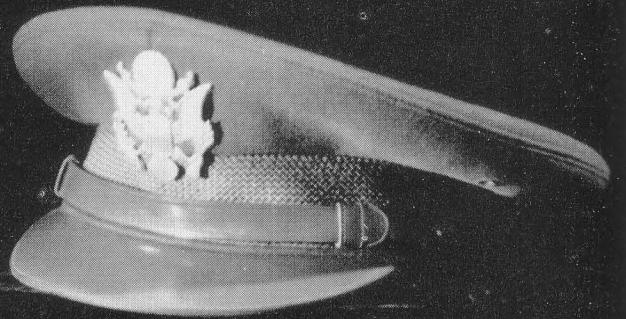

As a coach, director of athletics, chairman of the academic board, and headmaster, this teacher has been a contributing factor in the success of many of the cadets. In every way he has rendered valuable services that have increased the fame and prestige of our school.

We all admire him for his willingness to help us when we need help. To each of us he has given direction. To him, we offer our everlasting friendship and humbly dedicate this, the 1956 RECALL, to . . .

Life at Augusta

The Academy

What is "the Academy"? To us, the Cadets of Augusta, the Academy takes on various meanings. It means "our home away from home", our fortress of education. The Academy is that spirit of love and friendship which serves to bind us together. Our Academy is the friendly school.

The purpose of Augusta is to take young men of all walks of life and mold them into men worthy to be called men. To accomplish this purpose, many outstanding men and women are required. These are our Faculty, that loyal body that guides and teaches every boy in the Academy. From our Principal to our youngest faculty member, every position is filled by a capable gentleman of the highest calibre and integrity. They are our guiding lights. They are responsible for our Academy.

This is what our Academy means to us. This is why we love it so. To sum it up: Our Faculty; the Boys; Augusta—THE ACADEMY!

Dear Members of the Graduating Class:

A deep feeling of sadness comes over us when we realize that the time has arrived for your departure from our little community. As you go out into the world to take up your life which you left a few years ago, remember that our prayers and love will follow you as long as we live.

We feel that we have been honored by the class of 1956, for to us, it will be remembered as the best class of all. You shouldered your problems and solved them in a manner that will be an example for future classes to follow.

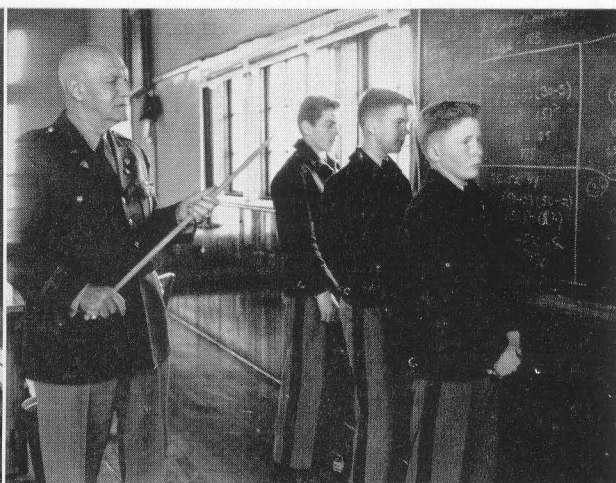

There will be always a warm welcome awaiting you when you return to your Alma Mater. Remember us always and return as often as time will permit.

Affectionately,
Col. Charles S. Roller, Jr.

THE ACADEMIC BOARD OF AUGUSTA

The most important faculty organization to be found at Augusta is the Academic Board. This group, which is composed of nine members of the faculty, is constantly searching for new ideas and methods to improve Augusta and its effectiveness. After consultations with the Principal, they set the rules and the standards for all cadets to follow.

Never does a boy who needs advice have to go wanting. All he has to do is to take his problem to a member of the Academic Board, and the problem is disposed of as well as possible. Whether it's advice on where to go to college, what profession one should follow, or what subjects to take, it never is too great or too small for the Board to solve.

Heading the Academic Board is Col. H. D. Deane, our Headmaster. He is assisted by Lt. Col. J. Cyrus McCue, Jr., as Vice-Chairman, and Major Paul V. Hoover, as Secretary. The remaining members of the Board are Lt. Col. W. L. Gardner, Lt. Col. H. B. McCrum, Major J. D. Kramer, Major F. M. Sizer, Capt. C. E. Savedge, and Capt. H. W. Lucus.

In Memoriam

MRS. WARREN S. ROBINSON

1956

The sister of our Principal, Mrs. Maggie Belle Roller Robinson, spent most of her life at Augusta. For many years she was in charge of the Y. M. C. A., and although she had been sick for the past two years, she still kept up her interests in the "Y". The whole Corps will feel the effect of her passing.

MRS. ANNIE R. THOMPSON

1956

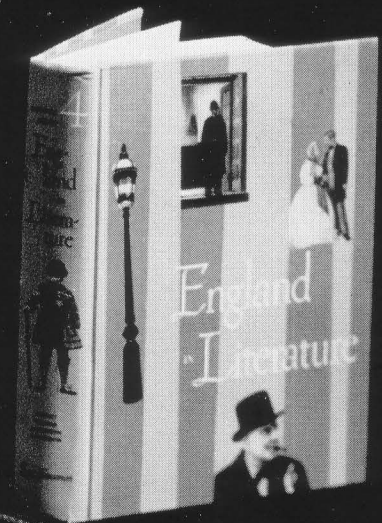

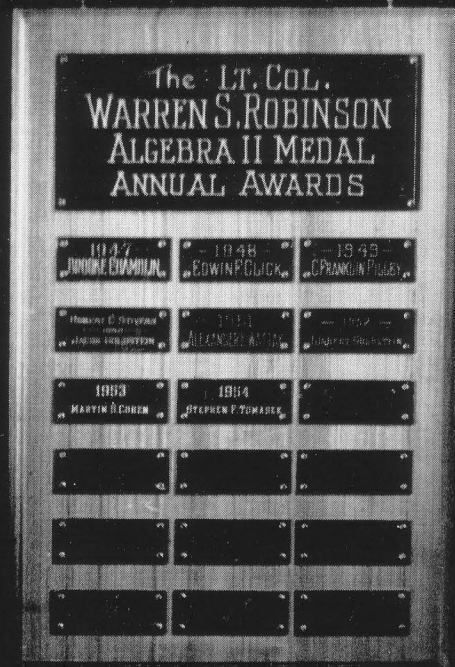

Mrs. Thompson spent the last years of her lifetime as our school nurse. She always regarded Augusta as her home, and she loved it very much. Each cadet was treated as if he were her own son. We'll miss Mrs. Thompson very, very much.

FACULTY

FRIENDS

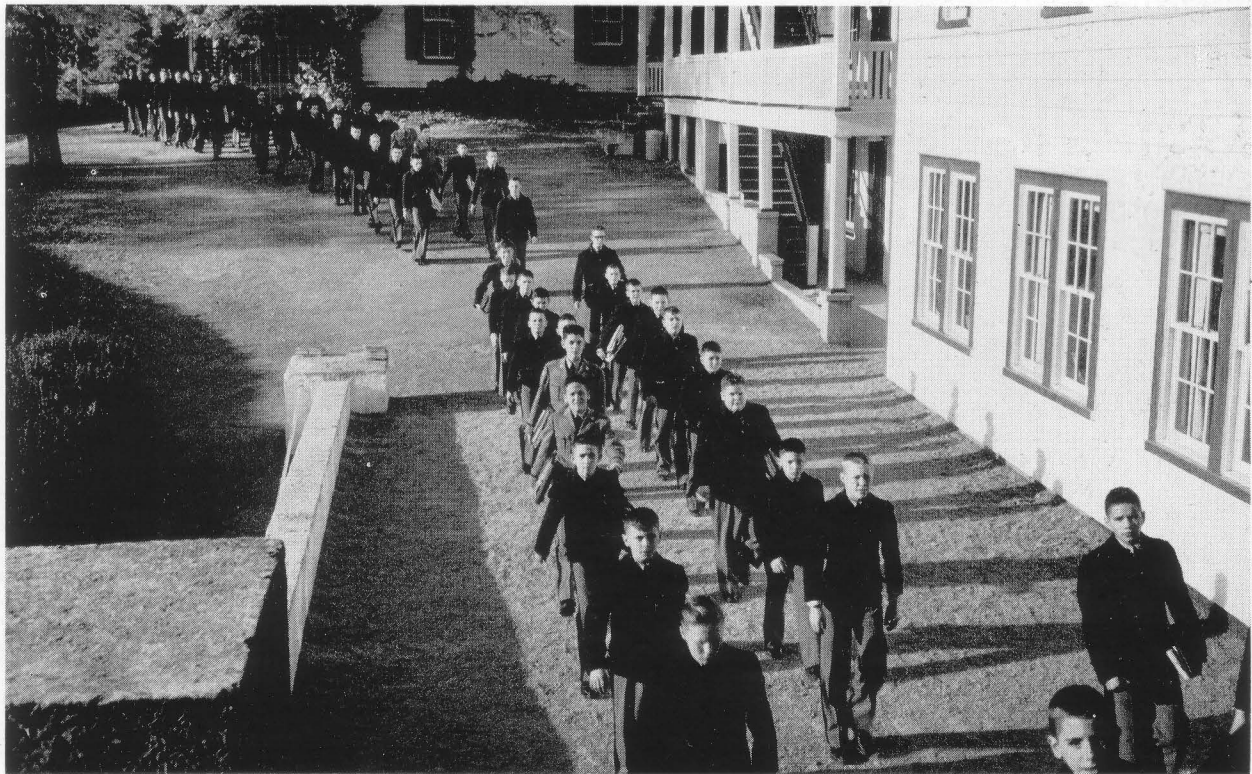

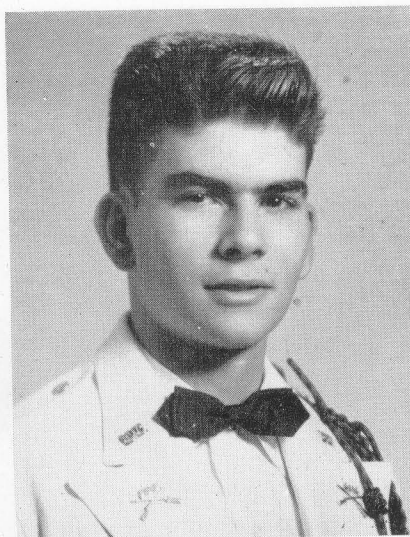

The Classes

The classes are really the backbone of the Academy, for here are the boys who make the Academy a living place. Boys from all parts of the world enter the Academy to learn. When they begin their learning of reading, writing and 'rithmetic, they learn another far greater and more important one to them—the lesson of joining together in brotherhood.

When the boys entered the Academy their first year, they were, to a great extent, total strangers. As the time went quickly by, the boys changed. Now they are brothers; the Seniors, Juniors, Sophomores, Freshmen and Junior cadets take pride in their school.

As the curtain descends on this year's Senior Class, many happy, but sad boys will go out from their Academy. We hope this section will show them that they will be remembered. They have learned their lesson here; they will always find new friends elsewhere.

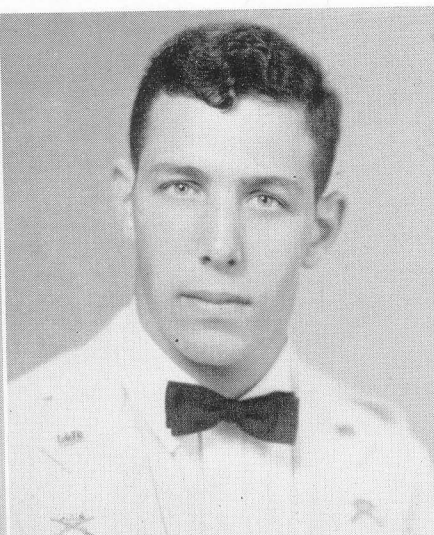

DIEGO ENRIQUE ARRIA
Caracas, Venezuela

Private, 1; Sergeant, 2; Tennis, 1, 2; Roller Rifles, 2; Rifle Team, 2; Cotillion Club, 1, 2; Honor Roll, 2.

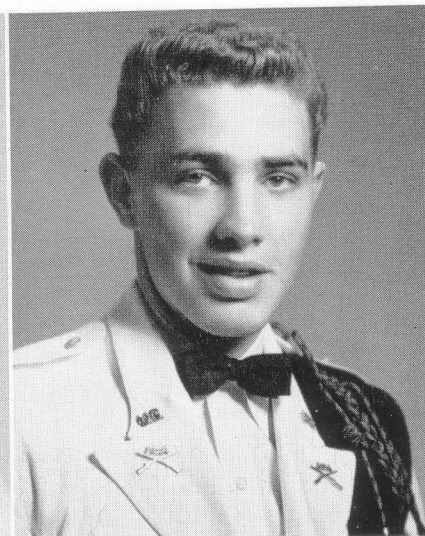

Diego's the boy who can dance just about any dance known to man, from the mambo through rock and roll. There just isn't an equal on the dance floor. "Tony" helped carry the AMA tennis team through two years of varsity play, and did a fine job on the championship rifle team. In two years, he has mastered English and we feel he'll get his great wish—to be an engineer.

STEPHEN DAVID ASKIN
Baltimore, Maryland

Private, 1, 2, 3; Football, 2, 3; Basketball, 1, 2, 3; Baseball, 3; Lacrosse, 1; Literary Society, 3; Honor Roll, 2, 3; Decorating Committee, 2; Final Ball, 2, 3; *Bayonet*, 1, 2, 3; YMCA Cabinet, 3.

"What's that about the Orioles?—Wait 'til next year!" Only one person could be talking—"Mad Dog". Steve's the boy who never loses his sense of humor. It makes no difference to Steve whether he is working on the coal pile or marching, he still has a joke to tell. Steve has great potentials, yet to be tapped. When Steve puts his foot on the gas, he will go a long way in life.

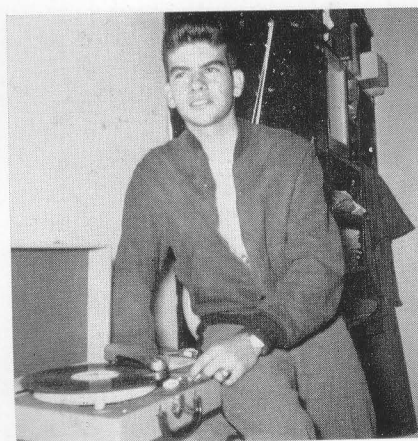

WILLIAM PETER BABIONE
Arlington, Virginia

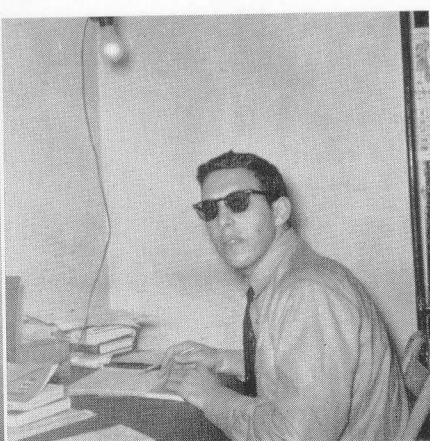

Private, 1, 2; Sgt. 1/Cl., 3; Captain, 4; Cotillion Club, 2, 3, 4; Football, 2, 3, 4; Basketball, 4; Lacrosse, 2, 3, 4, Captain, 4; Roller Rifles, 3, 4; Honor Military Student, 1, 2, 3; Final Ball, 2, 3; Honor Roll, 1; Literary Society, 3, 4.

Bill, by far the largest cadet in the graduating class, has used his height to the greatest advantage on the football field and the basketball court. In his first season as a varsity basketball star, he has made the games a pleasure to watch. Better known as just plain "Babs", he is truly the wittiest cadet at Augusta. Although he does not show it, Bill is one of the most sincere boys in the Corps. A very good student, Babs is bound for future honors.

"Erizo" came into the world with a glass shine on his shoes! Spending his Senior year at AMA as a new cadet, he is one of the best in the school. Carlos loves to dance and sing, and each cadet has found that he is willing to help them at any time of the day or night. Quiet, polite, and always dreaming about becoming an engineer, he wants to settle in Caracas, and marry—Dorothy Malone! If he is as prompt with his college work as he has been in falling in before reveille, he'll get both of his wishes.

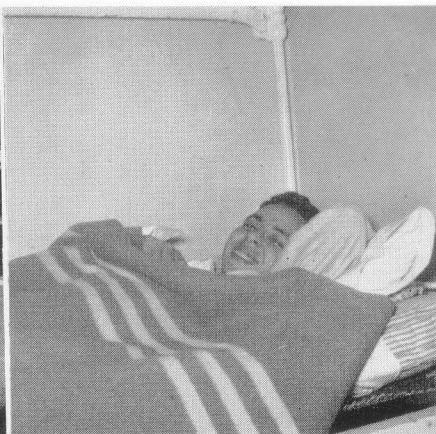

"Hoppy" has confined his extra-curricular activity to "sack" time. Truly one of the quietest cadets in the school, he well deserves the nickname Col. Deane gave him—Smiley, for whether he is in a group or alone, he always manages to have a smile. His ambition is to go to the University of Miami where he will be closer to his home, which is constantly on his mind, and where he can learn to water ski. Wherever "Hoppy" goes, he'll make friends with his good humor and smile.

"Peché," one of "B" Company's finest new cadets, is a rabid baseball and Venezuelan music fan. Every boy has found a fast friend in this boy who decided to enroll at AMA for his senior year. "Peché" has become well known for his laughs, his romances at Fairfax Hall, and for his high grades in Trig. Ambitious, hard-working and sincere, he will make a fine engineer, a credit to his Alma Mater and to his country.

EDWARD DIXON DAUGHTREY, III
Crozet, Virginia

Private, 1; Sgt. 1/Cl., 2; 1st. Lt., 3; Captain, 4; Basketball, 1, 2; Tennis, 2; Rifle Team, 3, 4; Captain, 4; Roller Rifles, 3, 4; Cotillion Club, 1, 2, 3, 4; Final Ball Committee, 3; Bayonet Staff, 4.

Private, 1; M/Sgt., 2; Lacrosse, 2; Swimming, 2; Roller Rifles, 2; Cotillion Club, 1, 2.

SERGIO RODRIGUEZ FERNANDEZ
Manzanillo, Oriente, Cuba

Private, 1; Baseball, 1; Tennis, 1; Cotillion Club, 1.

"D" Company and Stuart Hall have been Dizzy's main problems this year. Yet, if you see Diz, he will be on Cloud Seven. One thing is certain, old Dixon has a sense of humor which he retains at all times. For three years, he was invaluable on the Decorating Committee, and for the past two, he has been one of the top men on the Rifle Team. In fact, he fired 290 in competition and 292 in practice. Few boys have as many friends as Diz, and he'll be missed when he ventures to U. Va. next year!

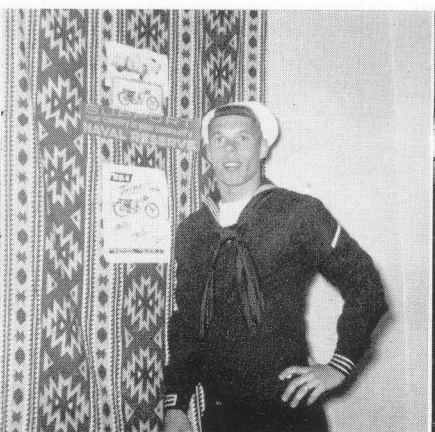

Every Thursday night, rain or snow, Ray dresses up just like a sailor and heads for the Naval Reserve Meeting at Fishersville. He is already following in his father's footsteps, for his Dad is a Captain in the Naval Medical Corps. "Squirrel" is one of the Maryland hill-billys who has ventured down to the Old Dominion to seek a better education. His interest in tape recordings and motorcycles occupy Ray's spare time. He's heading for Annapolis, and we know he'll make it, for he is the most improved cadet at Augusta.

Sergio is by far the best-looking Spanish boy who has ever attended Augusta. All of the girls at the Hall will agree on that. As one of "A" Company's better new cadets, he has shown that there is a soft spot for Augusta in his heart already. He is one of the finest gentlemen at AMA, and has proved that he has what it takes to be a success. Speaking no English at all in September, he has mastered the language quite well in his short stay with us. Keep up the good work, Sergio.

Ben has been at Augusta for only one year, and in that year, he has done his part in everything that he has undertaken. "Lippy" is one of our post graduates who wanted extra prepping, and he really "prepped" on the football field. We still have not been able to find why his nickname is "Lippy"; unless it's because he does find a way to carry on a conversation about anything! In the years to come, we expect to hear great things about our boy from Buena Vista.

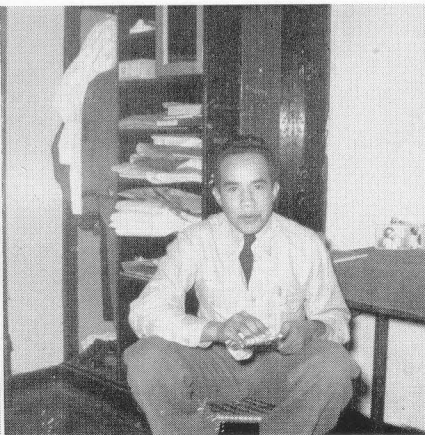

"Speedy", as all of us fondly call our boy from "Dirty River", Venezuela, is one of the smallest seniors at the Academy this year. He is Mr. Five By Five, and as befits a man of his proportions, he is wonderfully jovial. Domingo is a true friend who never lets you down when you need him most. Although not the athletic type, "Speedy" has been Augusta's most rabid fan for three years. When Domingo leaves us this year, our loss will be Venezuela's gain! Watch out for sardines, "Speedy".

This year Tex has devoted most of his time to his academic career with excellent results. His extra-curricular activities were devoted mainly to visits to Fairfax Hall. With his excellent record, Tex is thinking of the U. S. Military Academy or Annapolis, or possibly a major in science at VPI. If he shows the same spirit in the future as he has at Augusta, he will succeed wherever he may go. A winning smile, a sincere person, and an all-around boy—that's Haymarket's Tex Gossom!

Private, 1; M/Sgt., 2; Color Guard, 2; Roller Rifles, 2; Baseball, 2; Cotillion Club, 1, 2; Final Ball, 1, 2; *Bayonet*, 2; Honor Military Student, 2.

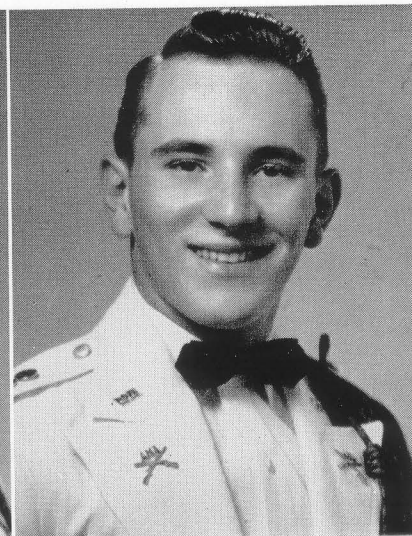

Black denim trousers and motorcycle boots . . . that's H. J. Handy. Much more interested in knowing that a certain cycle will do 120 mph than $a^2+b^2=c^2$, we must admit that he does know quite a bit about the terror of Highway 101. Jim's an outstanding fencer on the foil team, has been outstanding on the color guard, and has developed as a student. His ambition is to be an engineer and own his firm. H. J.'s famous last words—"Why can't VPI have a fencing team?" With his disposition, he'll succeed at VPI and after that also.

EVELIO MORALES HERNANDEZ
Caracas, Venezuela

Private, 1, 2; Best New Cadet, 1; Roller Rifles, 2; Rifle Team, 2; YMCA Cabinet, 2.

"Hamburger" is one of the Spanish boys who has tried very hard to overcome his difficulties with the English language, and he has, for he has a very good record at AMA. Each day he is greeted by—"Do you want a Hamburger?" or "Do you think it will storm?" He still retains his sense of humor and has even developed a revolutionary new way of dancing. Evelio is a camera fan, a fanatic of Alfredo Sadel, the Venezuelan tenor, and an effective softball catcher. Either Miami or Oklahoma will be fortunate to have Evelio next year.

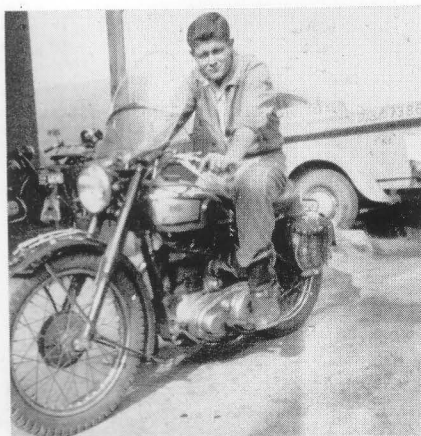

JAMES CECIL HOLLAR
Hickory, North Carolina

Private, 1; M/Sgt., 2; Captain, 3; Football, 2; Basketball, 1; Baseball, 2, 3; Roller Rifles, 2, 3; Guidon, 3; Honor Committee, 3; Decorating Committee, 1, 2, 3; *Bayonet* Editor, 1, 3; *RECALL* Editor, 1; Honor Roll, 2; Final Ball Committee, 3.

Is it Stuart Hall or just plain inheritance that has caused his loss of hair, flat feet and a few other minor difficulties? It must be just the way Cecil has been bred "Barefoot in the Smokies". Just stick around for a few minutes and you'll find he is a native of the Tar Heel State. Many have been the hours he has burned the midnight oil working on the *Bayonet*. We all admire him for his determination and for his really great job as a captain. All in all, he is one terrific cadet—personality, disposition; it adds up to the finest!

Charlie is currently referred to as Augusta's chance for an All-American bid for football honors in college. Many opposing players gladly would switch to the other side of the line when they find Charlie playing opposite them in a big game. As his record above shows, he's done a great job all along the way. See you in that starting line-up, Charlie!

ADRIAN LEO HOWARD
Richmond, Virginia

Private, 1; 1st Sgt., 2, Battalion Commander, 3; Football, 2, 3; Basketball, 1, 2; Baseball, 1, 2, 3; Roller Rifles, 2, Commander, 3; Honor Committee, 3; Student Body Officer, 3; Literary Society, 3; *Bayonet*, Editor, 1; *RECALL*, Editor, 1, 3; Decorating Committee, 1, 2, 3; Cotillion Club, 2, 3; Final Ball, 3.

Abeie, our great First Captain, has earned many honors and just about as many nicknames in his three years at Augusta. Although we kid him about that floating opal and his big ears, we can give him one real classification—the best. Ambition, personality plus and the will to always better things sum up his character. With the Roller Rifles looking better than ever, his marks high and his Corps behind him, we salute you, Adrian.

COYT HARRY JOHNSON
Arlington, Virginia

Private, 1; Football, 1; Lacrosse, 1; Cotillion Club, 1; Honor Roll, 1.

Coyt may be the youngest and the smallest member of the graduating class, but he's full of dynamite. He knows a little something about anything and everything. In his studies, he is consistently high on the Honor Roll, and he will even answer to all names during Physics class. Friendly, helpful and considerate of others, Coyt has made a real impression his first year here. He has been on guard every chance he can get—must be he wants to get into the courtyard—and he has done well. VMI will have our future Airman in the fall.

If anyone ever wants to find "Tito", you can be sure he's in the Post Exchange. From what we have heard, it didn't help his teeth, for now he's missing two. "Tito" has been one of the best drillers on the Roller Rifles, and in basketball his first year, he was a leading star on the courts. The baseball team found that he was an asset this year. For two years, "Tito" has been one of the neatest cadets in the school, and if you want to find out what's correct to wear here or in civilian life, ask him. His friends know he will succeed in college.

"Fusser" has been the really mad lover this year at Augusta. Ole Hugh has been quite a terror on the football field. Hugh's a small man in stature, but a big man when it comes to determination. He is proof of the old adage that dynamite comes in small packages. Hugh has worked hard on academics all year, and he seems to be doing all right. We look for Hugh to be playing first string football at Hampden-Sydney next fall, and we'll miss him. Good luck, Fusser.

Name any organization at Augusta, and Jimmy's been an officer! "Cheena", Mr. Football of AMA this year, was more or less a tackling dummy for the other team when our line didn't hold. As in everything, he did a great job. Possessor of many deserved honors while at Augusta, he has shown his ability in many lines. He has been a real pal, and as a chemical engineer, Jimbo is bound for high achievements.

Bob came to Augusta five years ago and has risen to the position of Captain Adjutant. Since Bob plans to go to Annapolis, he hasn't been too keen on the new military program. Bob has his heart on one sport, basketball, and he plays it well. On the courts, he gave his heart until the last whistle was blown. Another of the Maryland rooters, he can't admit there was a New Year's game in '56. When he puts on that Ensign's uniform, he'll have reached his goal.

H. FRANKLIN McALLISTER
Mt. Sidney, Virginia

Private, 1, 2, 3; Basketball 1, 2, Captain, 3; Baseball, 1, 2, 3.

Frank is one of our outstanding day students, and he's made his Alma Mater a better place athletically in his three years here. On the baseball field, he has no equal at first base. When he comes to bat, many pitchers would rather go to the showers right then. Quiet, serious-minded, and friendly to all, Frank has been a real demon on the basketball court. His agility is shown in his spectacular scoring plays. He wants more than anything just to be a success in all that he does. Our hope is that the Yankees get him before the Dodgers see him play.

SAUL EDUARDO MONTEJO
Caracas, Venezuela

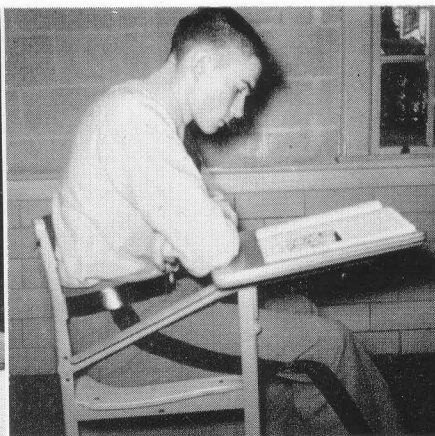

Private, 1; Tennis, 1; Baseball, 1; Cotillion Club, 1.

Although Saul knew just a little English in September, he hasn't let that stop him in participation in a variety of extra-curricular activities. He has earned the praise of all. Saul, or "Chucho", is an outstanding member of the band. His loud notes can be heard echoing across the parade field every Sunday afternoon. Saul generally stays to himself, and still manages to make friends. He is working for that Best New Cadet Cup, and he just might get it. With his quiet ways, easy manners, and joy of living, he'll reach the top.

Give Dick a few rolls of crepe paper, some staples, and glue, and he will have any place looking like a magnificent ballroom in a short time. Many of our dances have been enhanced by the artful decorations which he has executed with his committee. A native of *West Virginia*, he is a friend to every boy at Augusta. As a student, Dick has had difficulties, but he keeps doing his best. Born on a farm, Dick has the good old country bred into him. Our boy could be a terrific farmer with interior decorations as a sideline!

Nestor, one of our South of the Border friends, has made a fine name for himself in his four years at AMA. Nestor is a very good student, and he can wield his sabre on the fencing team with the best of them. Many visitors will remember Nestor for the impressive figure which he presented every Sunday afternoon at Parade as the Drum Major, and there are few boys who will forget his quick wit, his love of pranks, and his success at Fairfax Hall. If his work here is any sign of his future life, we can only foresee success.

Perhaps, with this old receipt we can size up Elgie's personality, and a wonderful personality it is. "Into a well-rounded boy, put in much honesty, sincerity, truth and the will to help others. Add just a batch of humor. Mix with the will to better himself and his Alma Mater. Stir slowly and age thoroughly." We are truly sending out a boy who will be hard to match for many years to come. Elgie wants to go to a good college and major in Marine Engineering. He is well on his way up the ladder, for nothing will stop him.

Good old Humberto, the Chemistry star from "Dirty River", has achieved the two goals that he set out to achieve. He has graduated and he has also mastered his English. Just at AMA for two years, the school has taken a hold on him that he will retain for a long time. As a fencer, Humberto has shown expertness, and as a friend, he has proven himself time and time again. He wants to be an engineer, and although Colorado School of Mines is his choice, he maintains it's too cold there! Best of luck, Humberto. You deserve it.

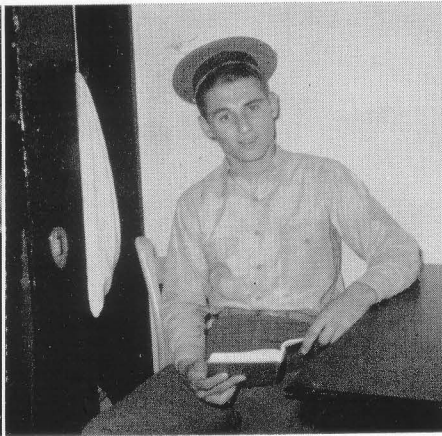

Put the following question before anyone at Augusta: Who is the biggest eater at school and who has the cleanest room at SMI? Part of this could be due to the fact that his father owns an outstanding restaurant. Yes, it's Ted, the staunch supporter of the "Pirates", and a work horse on the football team. Ted is another one of our post graduates who wanted more background before attempting college work. And in two years' time, he has shown marked improvement. There is no doubt in our minds that Ted will be missed at school next year.

Steve is probably the best little athlete in the Senior Class, for he did well in every sport in which he participated. Steve was by far the leading light in ground gaining in football. This is one cadet who has won the affection of all the cadets and the faculty alike, for his easy going manner, his gentlemanliness and his sense of honor places him at the head of the list. Steve will be remembered by us for his athletic prowess, and certainly for his will to win. He's made a fine start and will have no difficulty in attaining his goals.

Oriente, Cuba

Private, 1; 1st. Sgt., 2; Roller Rifles, 2; Rifle Team, 2; Cotillion Club, 1, 2; Student Body, Spanish Representative, 2; Honor Committee, 2.

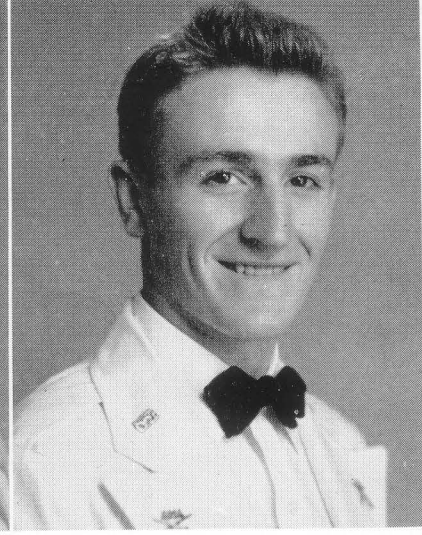

Vic has probably had the most meteoric rise of any cadet at AMA. In two short years he has become a 1st. Sgt. of "B" Company and a member of the Student Body Officers. In both capacities, he has done an outstanding job. Vic is a great lover of loud music. This can be proved if anyone drops by his room for just a few seconds. He has been a fine student, and one who has been a credit to his country. We'll be proud to say, "He's an alumnus of Augusta, our school."

It can be said without any contradiction that Goodie has the friendship of the whole school. He is ready to lend a helping hand to anyone who needs it. Goodloe is an even-tempered cadet who does everything he can to keep things running on a smooth keel. A good officer in the band, an excellent OD, Goodie's neatness in dress is an example for every cadet to copy. He probably receives more kidding than any other cadet, and that's because we like him so. Soooooo long, Goodie, but we feel you'll be back!

Pride of the Military Department, Honor Roll day student, one terrific person—that sums up our man, "Sheff". He is a pitcher on the baseball field who has no equal at Augusta. Every Monday morning, one of the most serious persons to be found is Sheff, who has been outstanding in Military. This year has found Sheff making a name for himself in Academics as well, and to sum up, he's about as well-rounded a cadet as there can be found. Wish you had lived at school, Sheff, but we're glad we could get together. We know you'll reach the top.

ADAM KENNETH SHUMAKE

Private, 1, 2, 3; Day Student

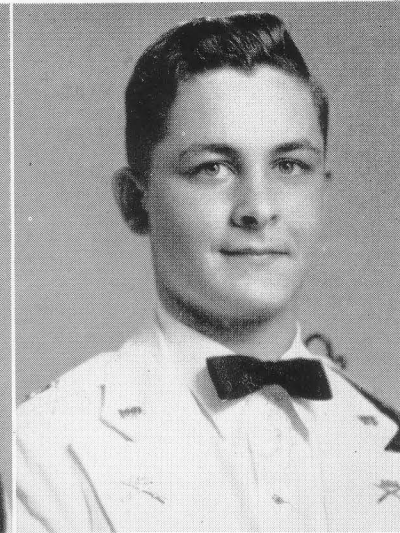

Every morning just before school call, you can see the ole blue Nash of Adam's come racing through the front gates and pull up in front of the gymnasium. A big man in the band, Adam can be recognized on a moment's notice. He, incidentally, plays the biggest instrument available. Quiet, polite, and friendly, his ambition is to become a minister. Everyone can see he is well on his way when they look at the board in the Big Room. On those boards, you can see how a sentence should be diagrammed. Good luck, Adam.

Everyone has noticed the improvement in Headquarters Company this year. This change can certainly be accredited to Harry. His interest in trying to make the meal time at school an enjoyable one is shown by his careful supervision at each meal. Harry's a good athlete in all the sports that he plays. We know the swimming team will really miss him next year. With the personality which Harry has, it will not be long before he will be reaching the top.

Steve, "the Academic King", has reigned on the throne of knowledge since his start at Augusta in 1950. Just a glance at his many activities, plus having won two scholarships, six medals, and even more honors will show what place he has made for himself at AMA. His love for the school can be shown by the excellence of his work for the school. There will be a long wait before AMA has another success-bound Steve.

Doug, our YMCA President, is one of the hardest workers in the Corps. Nothing is too great a task for him. He seems to thrive on work. At the present, Doug seems to be undecided on his future profession, but judging from his work with the "Y", it would not be a big surprise if he entered the ministry. When it's time for someone to go after the mail, he and his roommate are always ready with the jeep. Doug is a true son of Virginia, for he has always done his best to uphold the honor of his school and state. Good luck, Doug!

Ole Chess is a Yankee by birth and a Southerner by choice! From the great State of North Carolina, he has learned to love our Southern girls and Southern hospitality. In his room are the proofs of his love for the South—flags, stickers, and Confederate money. Chess is very militarily inclined, and he does his best in each new field problem. As a lover of Dixieland jazz and Dixie traditions, we have no fear that Chess will forget us when he enters West Point.

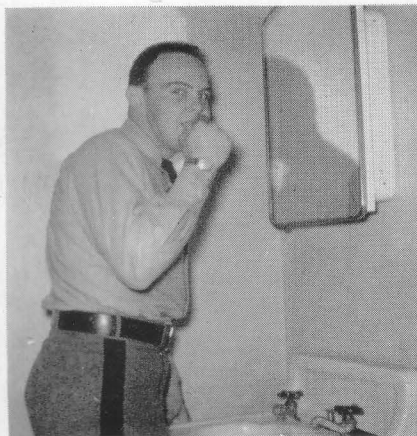

WALTER HOLMES WITHERS, JR.

Holmes is one of the many boys from the town of Waynesboro who has selected Augusta as his school. Besides being one of the best new cadets in "B" Company, Holmes does right well in his academic courses. Included among his many extra-curricular activities were Tiger Football and Fencing and in both, he was a stand-out. He'll be buzzing the vicinity with his hot-rod soon, but we'll remember him as a quiet, honest, and faithful person who has shown that he knows what he is after. Good-bye and good luck!

The Corps

The Corps is the combining of men and equipment into a well organized military unit. Our Corps, though not very large, has been molded into a well drilled and well heeled outfit.

This past year, a new military system was established at Augusta. The boys were issued regular army field equipment, including packs, tents, and shovels. They received their first real training for combat. Come rain, snow, or shine, the boys could be seen running through those military problems. At first it was a little difficult to catch on, but as time passed by, the boys started to fall into the swing of things.

The rest of military life was not neglected. Close order drill was on the card twice a week. This preparation for parade under the command of a really great Battalion Commander showed on Sundays and in competition with other schools.

ON PARADE—SHARP, QUICK STEPPING AUGUSTA!

THE ROLLER RIFLES IN EXHIBITION DRILL

The Athletics

In a school such as Augusta, the average boy has the opportunity to engage in a variety of sports. The Academy has long been noted for this wide variety of athletics. Everything from lacrosse to fencing to football is included.

If one happens to pick up the paper and sees that Augusta has just lost a game, he probably doesn't think very highly of our athletics. If he knew the inside story, he would be praising Augusta, instead of knocking it.

A few years ago, Augusta dominated every sport in its league. Those were the days of bowl bids and athletic scholarships. The average boy in the barracks didn't come out for athletics then. They felt as if they couldn't compete with the "scholarship boys". Then, there came the dawning of a new era. No more athletic scholarships have been awarded for four years. Since then, Augusta's teams have been composed of boys who had the "desire" to play. The boys, for the most part, have been green, but they have always done well for themselves.

This year, the teams made new strides forward. The basketball team, the fencing team and the rifle team really came through. The new era is beginning to show results.

FOOTBALL SEASON SUMMARY WOODBERRY TAKES THE OPENER

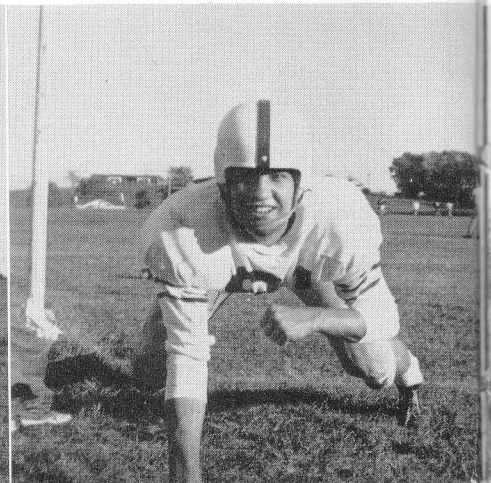

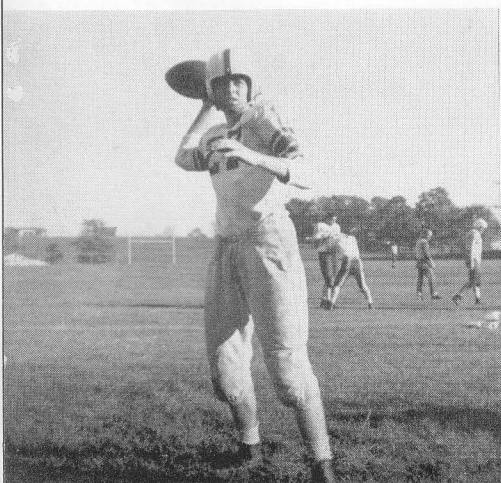

The Augusta Cadets sustained an opening game defeat at the hands of a powerful Woodberry Forest eleven. Augusta kicked off and then proceeded to hold Woodberry on downs. On Augusta's first series of offensive plays, they fumbled. Woodberry took over at midfield, and the Foresters marched to their first score of the game. The green Cadets then made many mistakes, of which the more

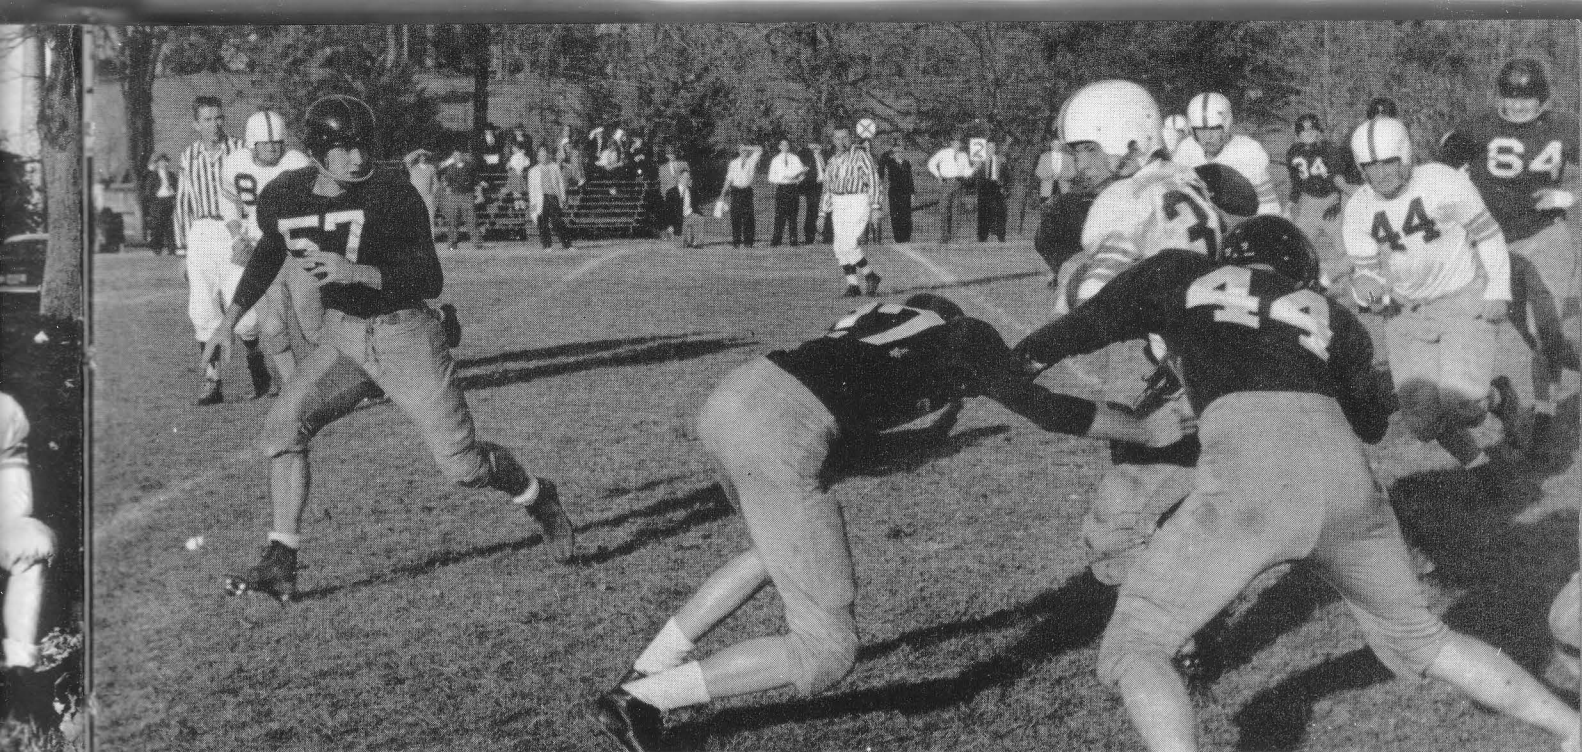

experienced and more alert Woodberry team made good use. Woodberry, after piling up a large first half advantage, substituted freely. The Cadets held the Foresters in check most of the second half, but were themselves unable to move consistently with the pigskin. When the final whistle blew, the score stood: Woodberry Forest 39, AMA 0.

... VES SNEAKS BY

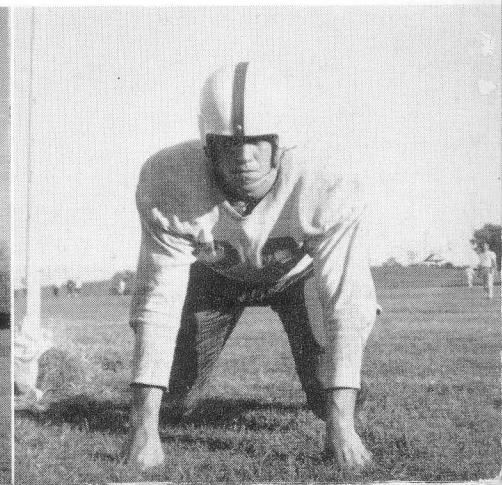

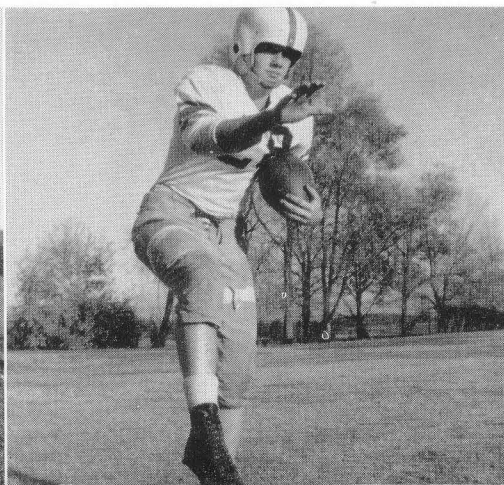

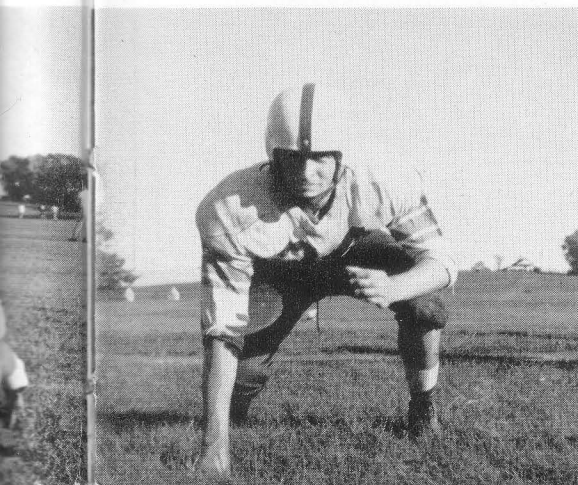

In the second game of the season, Augusta really showed marked improvement over their first start. Augusta outplayed VES in every department, but the final score was in VES's favor, 20-6. In the first quarter, AMA tallied the first score of the game. After Steve Rodgers had carried the ball through big gaps in the VES line to the goal, little Dickie Robinson plunged into the end zone for the score. After this first touchdown, Augusta came right back to knock on the gates again. With a first down on the three-yard line, Guy Davis attempted a line buck. He was met headon by a host of VES tacklers, and he

fumbled. This was the turning point in the game. The demoralized Cadets gave up two quick touchdowns and left the field at half-time trailing 13-6. In the last half, the two teams battled to a standstill. In the last few minutes, AMA seemed to be moving for the equalizer, but several bad breaks sent them back to their own three-yard line. On the next play Bobby Carson, who played an outstanding game for Augusta, was hit and dropped. As he fell, he dropped the ball, and a VES lineman fell on it in the end zone for the final tally of a truly exciting ball game.

. . . PRAISE THE SAINTS

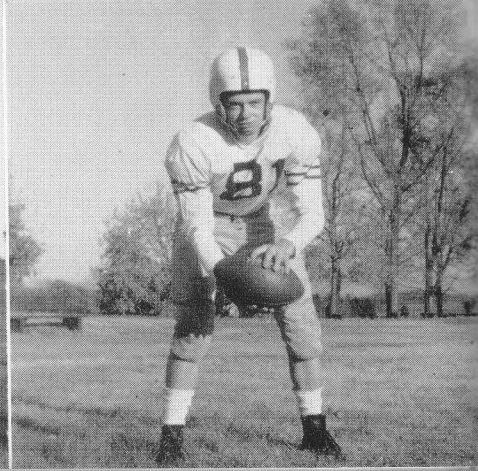

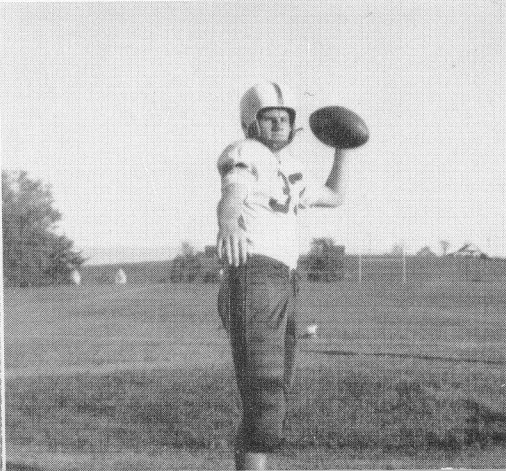

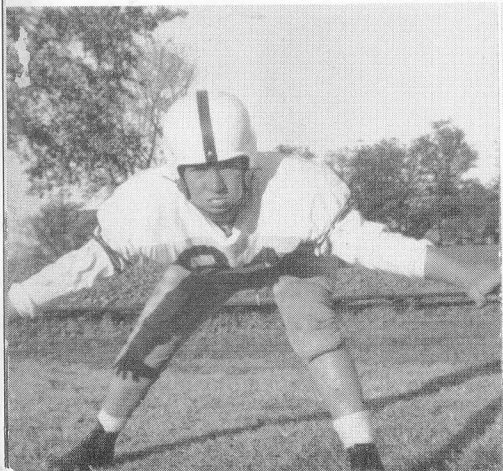

It was a depleted and undermanned Augusta squad that ventured to Richmond for the Cadets' encounter with Saint Christopher's. The Saints were on the rebound from a severe drubbing suffered at the hands of mighty Fishburne the week before. They rolled up a 20-0 advantage over AMA in the first half. Jim Mahanes did a great job for Augusta in the first half, and was able to make many im-

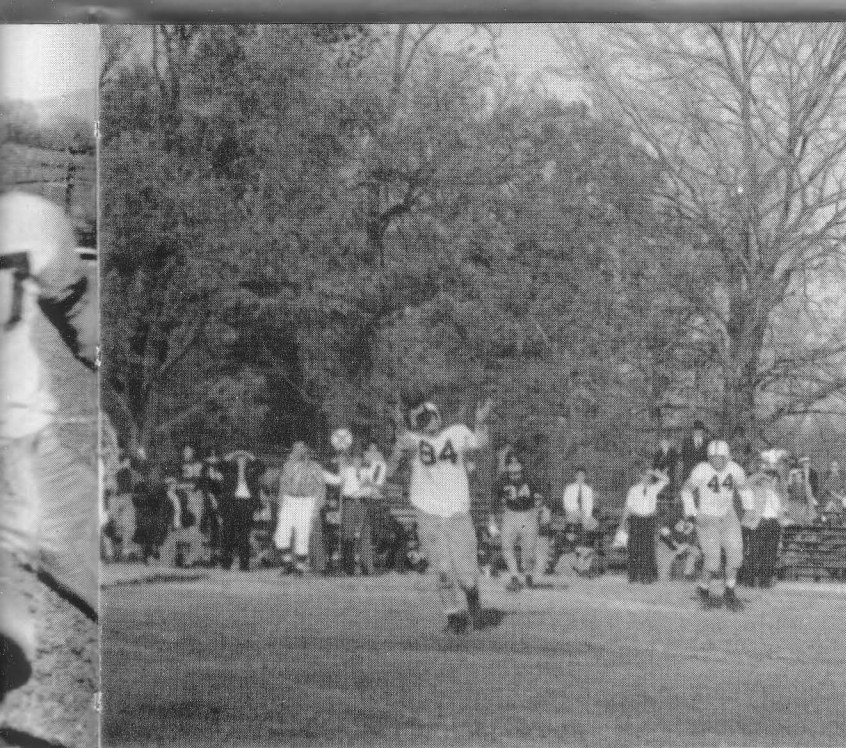

portant stops. When Augusta started rolling, something always happened. Either costly fumbles or pass interceptions set them back on their heels. Late in the fourth quarter, three successive passes from Steve Rodgers to Adrian Howard really had the Cadets moving. However, time ran out before they were able to reach the goal line, and the gun went off with the final score, the Saints 26, AMA 0.

. . . MILLER SCHOOL GAINS REVENGE

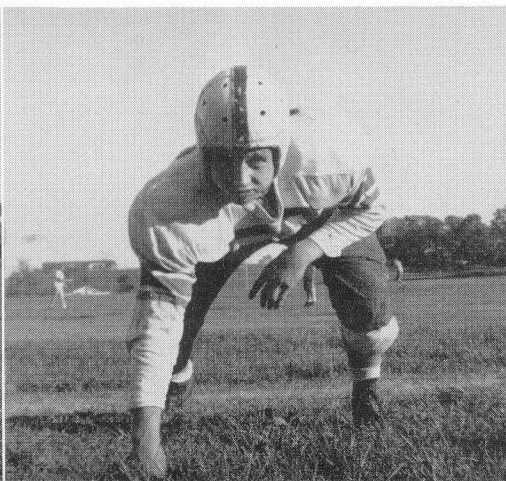

Augusta took the field against a small but very determined Miller School team in the next game. Augusta rolled for very good yardage against their opponents, but again, fumbles cost them dearly. The Miller team had been underrated by our boys, and they proved it at our expense. They struck back with a savage

ground attack to gain a half time lead of 14-0. The second half was much like the first with neither team able to come consistently close to a touchdown. Late in the fourth quarter, Miller hit pay dirt. They punched across a final score to defeat the Cadets 21-0, and thereby take revenge for a 7-0 loss in 1954.

... EPISCOPAL GRINDS OUT A TRIUMPH

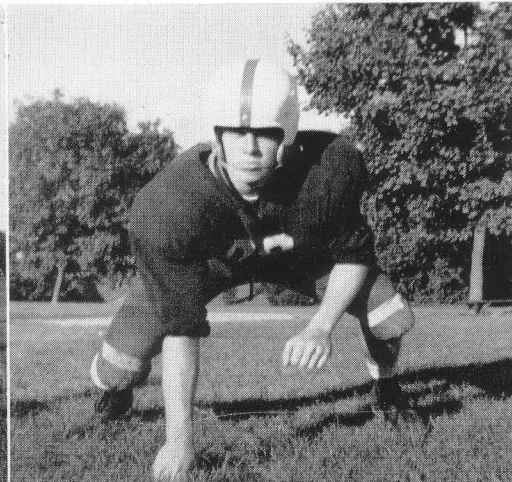

In their next to the last game of the season, the winless Cadets tackled EHS, the preparatory school power of the state, and once again came out on the short end of the score. Great bench strength and a remarkably good starting unit helped to spell disaster for AMA. The big boys from Alexandria rolled up a quick 27-0 advantage over the Cadets and coasted the rest of the way. As in most

of its games, Augusta played a strong final half. Steve Rodgers combined with Dick Robinson to lead Augusta on several sustained drives, which the big boys barely managed to stop . . . In the last quarter, AMA gave up one more tally to Episcopal to give them a 33-0 win and a chance at the state championship.

Augusta took the field on Thanksgiving Day determined to salvage something from a heretofore winless season. As it turned out, they accomplished very little. The scholarship boys from FMS were not to be denied. They literally rolled over Augusta at will. The Fishburne

Augusta put on the field a small but scrappy eleven, which put up a strong fight against its formidable opponents.

Against Fishburne and Massanutten, Augusta played what would have been their normal varsity. Both teams were much heavier than

the blue and white team. This, with their experience, gave them an advantage which youth and vigor could not overcome.

In the first game with FMS, the lone shining light came when Harry Sommers shot a long pass to Jack Harrison, who had gotten far

Walt Rogers ropes Harrisonburg

beyond the FMS defense. The rest of the game was FMS all the way. Augusta put some stumbling blocks in their road, but to no avail.

In the return game with FMS, it was FMS all the way with many casualties coming to Augusta in their vain attempts to keep down the score.

Against Massanutten despite the odds, Augusta threatened frequently, but the offense bogged down when pay dirt was in the near vicinity. MMA earned every point they made.

Against RMA the game was played in a sea of mud and in a downpour of rain which hindered the blue and white's passing attack, while our opponents forced over three TD's.

The bright light of the season was the two games with Lee High. In the first game, due to a fumble ball deep in our own territory, Lee

High capitalized and scored, and made the extra point. In the second period, the same thing happened, and again in the third quarter. In the last period, Augusta got moving with a passing attack which netted three quick touchdowns and two extra points, but the rally came too late to prevent a lost game.

In the return game with Lee High, the game was nip and tuck. First Augusta would score, and then Lee High. Coyt Johnson went through center for twenty yards and a touchdown. Don Radford threw a thirty yard pass to John Buchanan for a touchdown. At this point Lee High had made their extra point while Augusta did not. Thus the score, 13-12. With but one play and 8 seconds to go, Harrison again scored on a 50-yard pass from Radford for the winning tally and the game.

JUNIOR FOOTBALL

Holding practice sessions every afternoon under the expert guidance of Captain Lucus and Lt. Hanson, the Junior Football Squad showed a marked improvement as the 1955 season progressed. The boys from "J" Barracks were the pioneers at Augusta in the field of night football, as they traveled to Harrisonburg to open their season under the lights. Playing against a team that had four games experience on them, the youngsters from Fort Defiance made it a game right down

to the final whistle—losing 20 to 6. Outstanding for the Augusta eleven were Freile, Giammaria, Parra, and Womer.

The following week AMA played the role of host when Harrisonburg played at Augusta. This time the Harrisonburg squad came out on top 13-6.

The final game of the season was played at Massanutten Military Academy. Playing for the first time in the rain and mud the Juniors went down in defeat 20 to 6.

VARSITY BASKETBALL AT AMA

Emerging from a 13 loss and 1 win record last year, the "Keydets" have improved to the point where about 50 per cent of the games played by Augusta this year were brought home as victories. The team's improvement won the enthusiastic support of the corps and faculty. The taste of victory, after so long a time without it, is invigorating, and the corps, team, and faculty feel it.

AMA has done very well for itself on the hardwood court. Needless to say, a large part of the credit rightfully goes to our excellent and indomitable coach, Lieutenant Livick. The boys caught some of his fiery spirit and the will to win, and sought to break the jinx which had slowly encroached upon AMA basketball teams.

The teams that fell victim to the "Keydets", and even those who won, knew that they had played a real game. In order to improve on this year's standing, Augusta will have to put in a good deal of hard work. Four of our losses were to teams that basically outclassed our small squad. We lost two games each to VES and Fishburne. The first contest with each school was lost by a rather large score. However, the story of the second game with each is much different. Starting with VES, we see that they won by some 30 points the first time, and then by only 7 points the second game. Although facing taller men, Augusta controlled the jump balls, and used quick openings to score nearly every time. At half

time the score read 26-26, and it was a worried bunch of VES boys that trudged down to the locker room.

Against the top-rated Fishburne squad, the Keydets used a slow and deliberate "give and go" offense. The FMS Squad was thrown

JV BASKETBALL

The interest shown this season by the Junior Varsity promises to be very helpful in the preparation of future teams at Augusta. Under the tutelage of Captain James Taylor, the JV's have made many fine performances. The record of the team is not very impressive, but the experience and the skill that the boys have gained will help to build for future

championship teams. Among the outstanding players who will undoubtedly move to the Varsity team in the near future are Rafael Colindres, Roger Morris, Bob Seeberger, and Tyrone Tomasek. These boys have shown that they will soon be capable of holding down a position on the Varsity.

TIGER AND "J" BARRACKS BASKETBALL

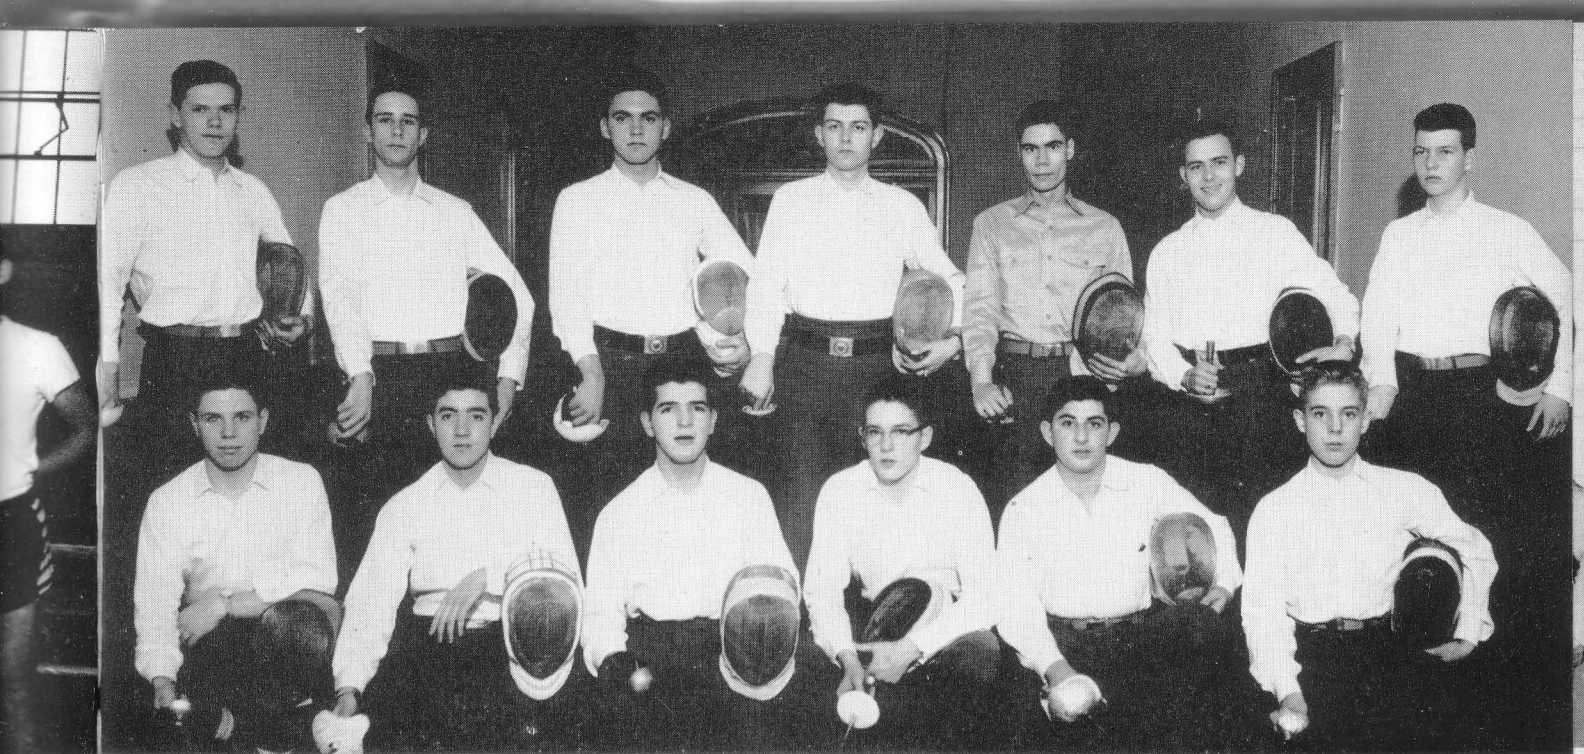

Under the guidance of Major Kramer, Captain Lucas, and Lieutenant Hanson, the Tiger team and Junior Boys have learned quite a lot about basketball this year. The Juniors and the Tigers have played the local YMCA's and schools from Harrisonburg. They learned while they had fun. The entire athletic program at Augusta has been designed

to start the boys in athletics and to carefully coach them until they are ready for the Junior Varsity or for Varsity work. For example, this year's Varsity had Bob Mariner and Steve Rodgers who started on the Junior Barracks' team. These boys are certainly future AMA stars starting at the bottom of the stairs to climb the ladder to success.

Augusta enjoyed one of its most successful fencing seasons by winning 5 out of its 6 meets, losing only to the undefeated U. S. Naval Academy Plebes who have not lost a meet for 10 years.

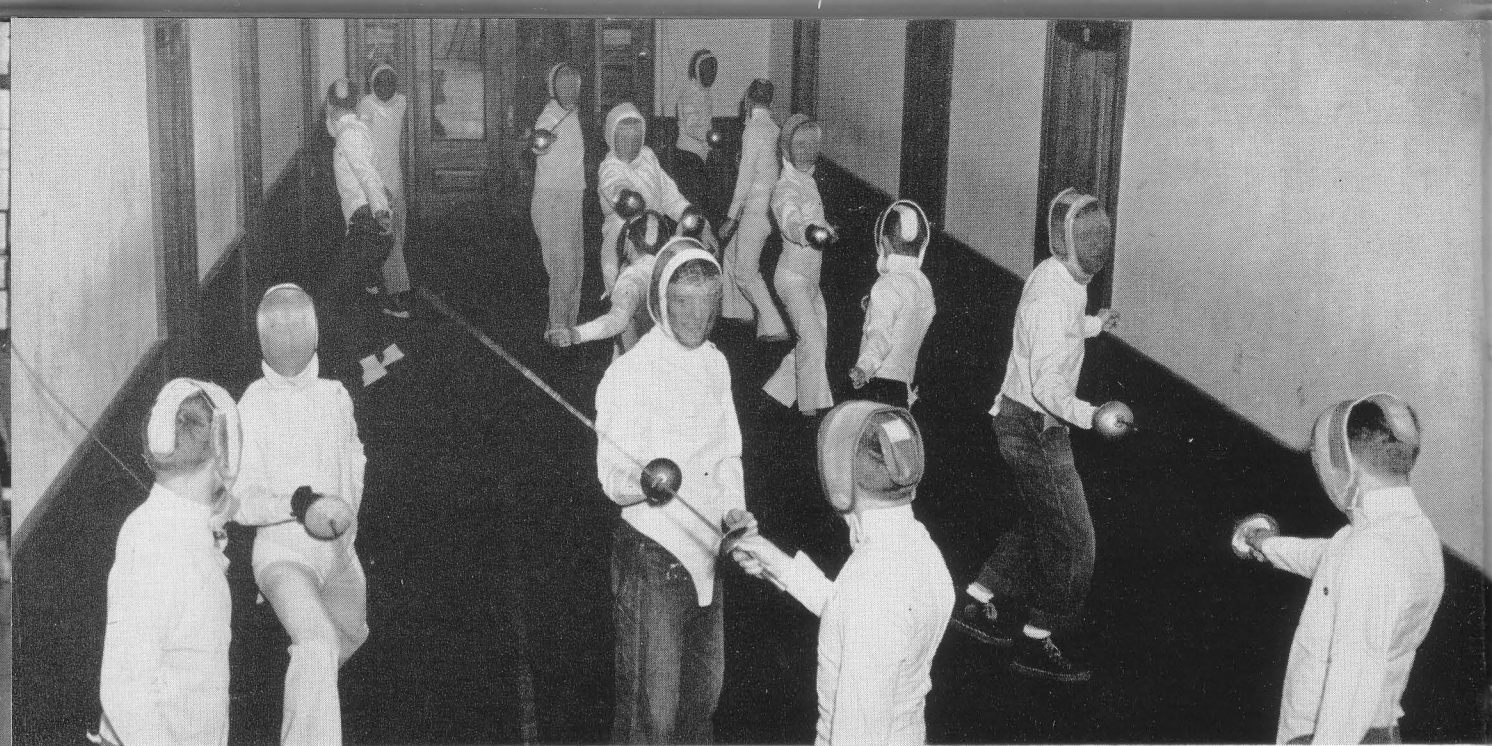

The bright light of the season was the undefeated saber team which won against

all opponents, including the Navy Plebes.

Against VMI Moya won all 3 bouts, Aguiar 2 in the saber weapon. In foil Harmon won 2 of his 3 bouts, Jim Handy 1. In epee Trout won all 3, Gibbs 2, Pugh 1 and Perez 1. The remaining bouts were forfeited to Augusta.

Against the Navy Plebes, Moya won 3,

Aguiar 2 and F. Perez 1 in saber. In foil Handy won the single bout. In epee Trout, Gibbs and Pugh each won a solo. Augusta lost 7 bouts by the close score of 5-4, any one of which could have easily come our way.

In the first meet with North Carolina State, Augusta took both the saber and foil weapons. In saber Moya won all 3, Aguiar 2 of his 3 and Perez 1. In foil Harmon won all 3, Handy 2 and Perez 2. In epee Trout won 2 while Pugh and Luis Mojarrietta each won 1.

The next meets were with North Carolina State and University of North Carolina, from which Augusta emerged victorious. Against both teams the saber team triumphed 7-2.

Moya won all 6 of his bouts, Aguiar 5 of 6, and Luis Mojarrietta 3. The epee team tied UNC when Trout won 2, Pugh 1 and Gibbs won 1 and tied 1. The foil team against UNC Harmon won 2, Perez 2. Against State in the epee Gibbs won 2 of his 3 while Trout and Pugh each won 1. In foil Harmon won 2, Withers 1 and Perez 2. In the three way meet Augusta lost a total of 10 bouts by the margin of a single point.

In the final meet with VMI Augusta again won the saber when Moya won all 3, Aguiar 2 and Mojarrietta 1. In the foil Harmon and Handy each won 2 while Perez had a solo. In epee Trout and Gibbs won 2 while Pugh won a single.

AMA RIFLE TEAM NATIONAL CHAMPIONS, MILITARY SCHOOLS, U. S. A.

This year's Rifle Team finished strong against some of the nation's best sharpshooters. After losing the first match of the season, the team came back to soundly defeat Calumet twice. One of the high spots of the year was the victory over Fishburne Military School, when AMA set a new record of 1386 to FMS's 1373. Ed Daughtrey fired a phenomenal 290 out of a possible 300.

In the annual VPI Interscholastic Tournament, the AMA team again broke the record with a 1395. Frank Shaffer starred in the match and took first place in individual competition as well.

Even the new record could not stand, as

AMA shattered the U. S. Military Academy Plebes with a 1398 to West Point's 1396.

In the annual State-Wide Military Schools Match, AMA placed second, and the over-all record was 11 wins, one first place and three second places. The team has brought in a total of twelve medals and two team trophies, with a promise of more to come in the Second Army Championships. As winners of the Army Commanders and defending champions from 1955, this year's team fired an even higher score. Now, as National Champions, the team will retain the large trophy which in 1949 and 1950 AMA also captured.

Undoubtedly this was the greenest swimming team Augusta has ever had, but one with the desire to swim and one that developed throughout the entire season. Only one boy will be lost through graduation thus leaving a nucleus of 25 boys upon which to build a team in 1957.

In the first meet with RMA, the highlights for Augusta were the many second places won by Jim Hume in the breast stroke, Jim Lanks in the 200 yard free style, Tom Petty in diving, and Tom Petty in the individual medley.

Against the University of Virginia Frosh, the Hume Brothers, Jim and Grey, came in 2nd and 3rd in breast stroke, Webster was second in back stroke, Tom Petty first in diving; the medley relay team with the Hume brothers, Webster, and Jim Petty came in first, and the free style relay team composed of Dick Clotfelter, Jim Petty, Jim Hume and Tony Webster came in first.

In the first meet with VMI the Hume brothers in the breast stroke for second and third, and Tom Petty second in diving were the only bright lights.

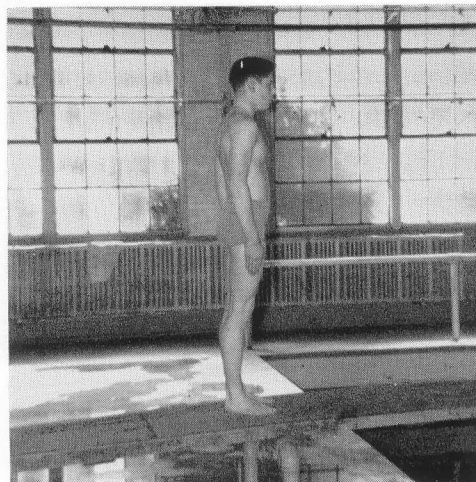

The strong Granby team had little difficulty downing Augusta. Harry Sommers and Tony Webster won second and third place in the back stroke, Bud Eastlack and Tom Petty second and third in diving.

Against VMI in the second meet Tony Webster started the score in favor of Augusta with his first in the 50. Augusta was not to be stopped in this meet after they began in the winning column.

In the return meet with the University of Virginia, the Hume brothers again came in second and third in the breast stroke; followed by Lanks and Van Evers in the same places in the 200 yard free style, Sommers came in first in the backstroke, Tom Petty came in second in diving, and the medley relay and the 200 yard free style relay came in first.

In the Southern Interscholastics held at the University of North Carolina at Chapel Hill,

N. C., Augusta placed second. Augusta only entered a seven man team and would have had a higher score had a full team been entered. Augusta won first, second and third in the

breast stroke with Jim Hume, Jim Petty and Grey Hume; third, fourth and fifth in the back stroke with Harry Sommers, Tony Webster and Jes Van Evers; third in diving with Tom Petty; 4th in individual medley with Dick Clotfelter; second in the medley relay and 200 yard free style relay.

In the final meet of the season with RMA, Jim Hume and Jim Petty came in first and second in the breast stroke; Tom Petty first in diving and the medley relay was first; Dick Clotfelter was second in the individual medley.

The present season was somber, but 1957 gleams bright with many expectations.

ATHLETICS FOR ALL . . . AT ALL SEASONS

From the first day of a young man's life at Augusta until the last day dawns, his stay is filled with many activities.

For the boys who enjoy dancing and romancing, AMA has much to offer. There are many formal dances, commencing with the Opening Formal in October and climaxing with one great flourish in the Final Ball. The Cotillion Club offers, also, many informal dances, company hops, and supervises the general social life of the school.

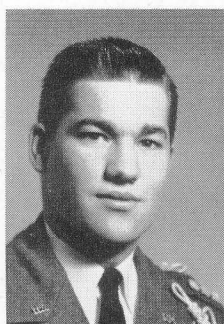

The Young Men's Christian Association is one of the few compulsory rules to be obeyed by new cadets. And yet, because of the excellence and high quality of the programs, cadets old and new attend in large numbers.

The Literary Societies hold frequent meetings for the benefit of one and all. Cadets learn poise and self-confidence from debating or declaiming. Every member of the school is a member of a Literary Society.

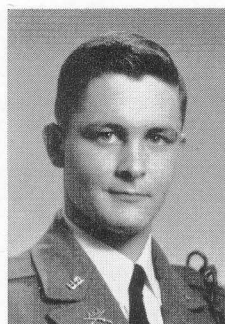

In the publications of the school, the *Bayonet* and the *RECALL*, the cadets have an opportunity to learn every phase of newspaper and yearbook work.

Last of all, AMA is a school with a Student Body Government and an Honor System. This, too, is The Academy!

STUDENT BODY OFFICERS — 1956

Student Body Government has many different meanings at different schools. At Augusta it means that the cadets have seven men who are looking out for their welfare at all times. It means that the Officers of the Student Body are entrusted by Colonel Roller and the Academic Board with the discipline,

the order and the behavior of the cadets. During the past year, these men have done more than their share and this has been reflected in the Corps. To all seven men, and especially to the President, James R. Mahanes, praise and credit are due.

HONOR COMMITTEE

The Honor Committee this year was made up of the eight officers of the Student Body plus the officers of the Third and Second Year Classes. The Officers of the Third and Second Year Classes were elected by the members of their own classes.

Whenever the occasion arose for an Honor Trial, these gentlemen met in secret session with a member of the Academic Board. After they came to a decision, it was passed on to the Academic Board for the Board to pass upon, revise, reject, or approve. The decision

of this board was passed on to the Principal for final consideration.

In addition to the officers of the Student Body, the following men comprise the Honor Committee:

Third Year Men—Hollar, Buchanan, Emmons
Second Year Men—Nininger, Goodloe
Saunders, L. Gibbs

The New Cadets had two representatives this year. These boys this year were Jim Turner and Bobby Carson.

AD ASTRA PER ASPERA

To be elected to this honorary fraternity is the highest honor that can come to a member of the cadet corps. He need not be a member of the Senior Class, although a canvas usually brings out the fact that the Seniors usually are the recipients of this coveted award.

The fraternity, which was founded by our Principal, Colonel Charles S. Roller, Jr., in 1925, is in its thirty-first year. A check of the members who have been elected to the society reveals that this honor usually follows them with success in their future life.

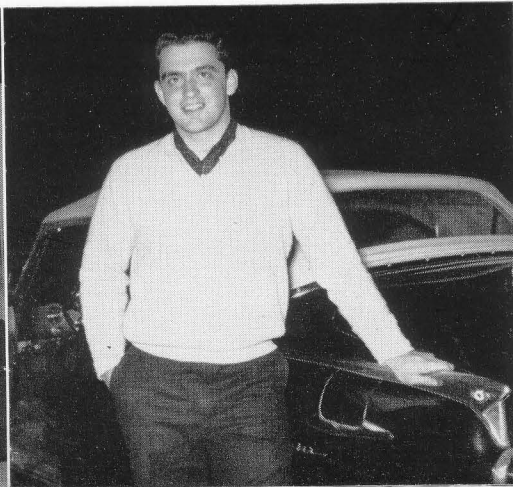

The motto "*Ad Astra Per Aspera*" comes from the Latin and is translated "To the Stars Through Difficulties". The cadets receiving this award must have lived up to the

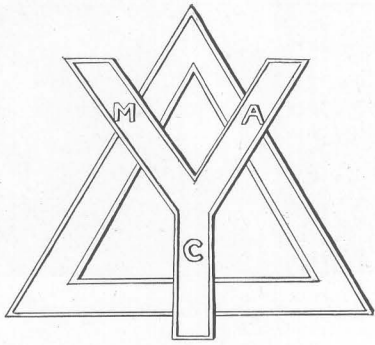

motto because it implies simply our best.

The oldest members of the faculty vote just before Finals to determine the best and most outstanding cadets in the corps. The cadets receiving the ten highest number of votes are honored with the coveted pins on the day of graduation.

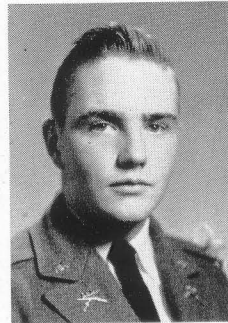

In addition to the founder, the other faculty members who are in the fraternity include Col. H. D. Deane, Lt. Col. J. C. McCue, Major P. V. Hoover, Capt. S. S. Wales, Capt. C. E. Savedge, and Major E. W. Parkins.

The only cadet in the corps who is a member of this organization is Cadet Capt. Stephen F. Tomasek who was elected in June, 1955.

THE AMA Y. M. C. A.

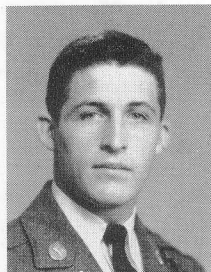

Founded by Sir George Williams of London in 1844, the Young Men's Christian Association came to the United States seven years later. In 1865, when the Augusta Military Academy was re-established, the YMCA became the first Christian Society of students and faculty to be organized on the campus.

For ninety-one years, it has operated effectively, seeking to enrich the spiritual life of the many thousands who have attended Augusta Military Academy. This year's officers, assisted by Captain Lucas, have done a better job than usual, with the Mothers' Day Program the highlight of the year.

THE ROLLER RIFLES

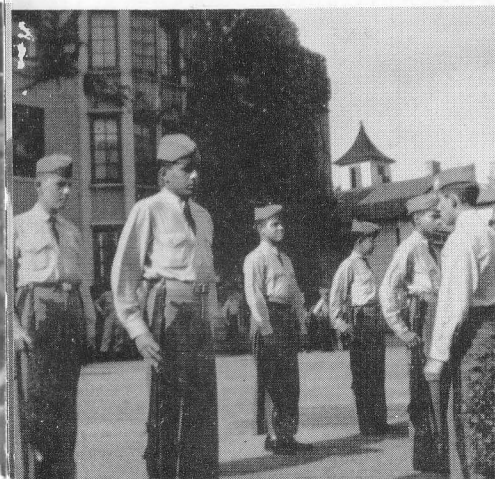

This year marks ten years of existence for the crack drill team, The Roller Rifles, formed in the honor of the late Lt. Charles S. Roller, III. The drill team is picked from the school's cream of the crop, you might say. The red citation cord worn by each member is worn with the dignity and the honor that it deserves.

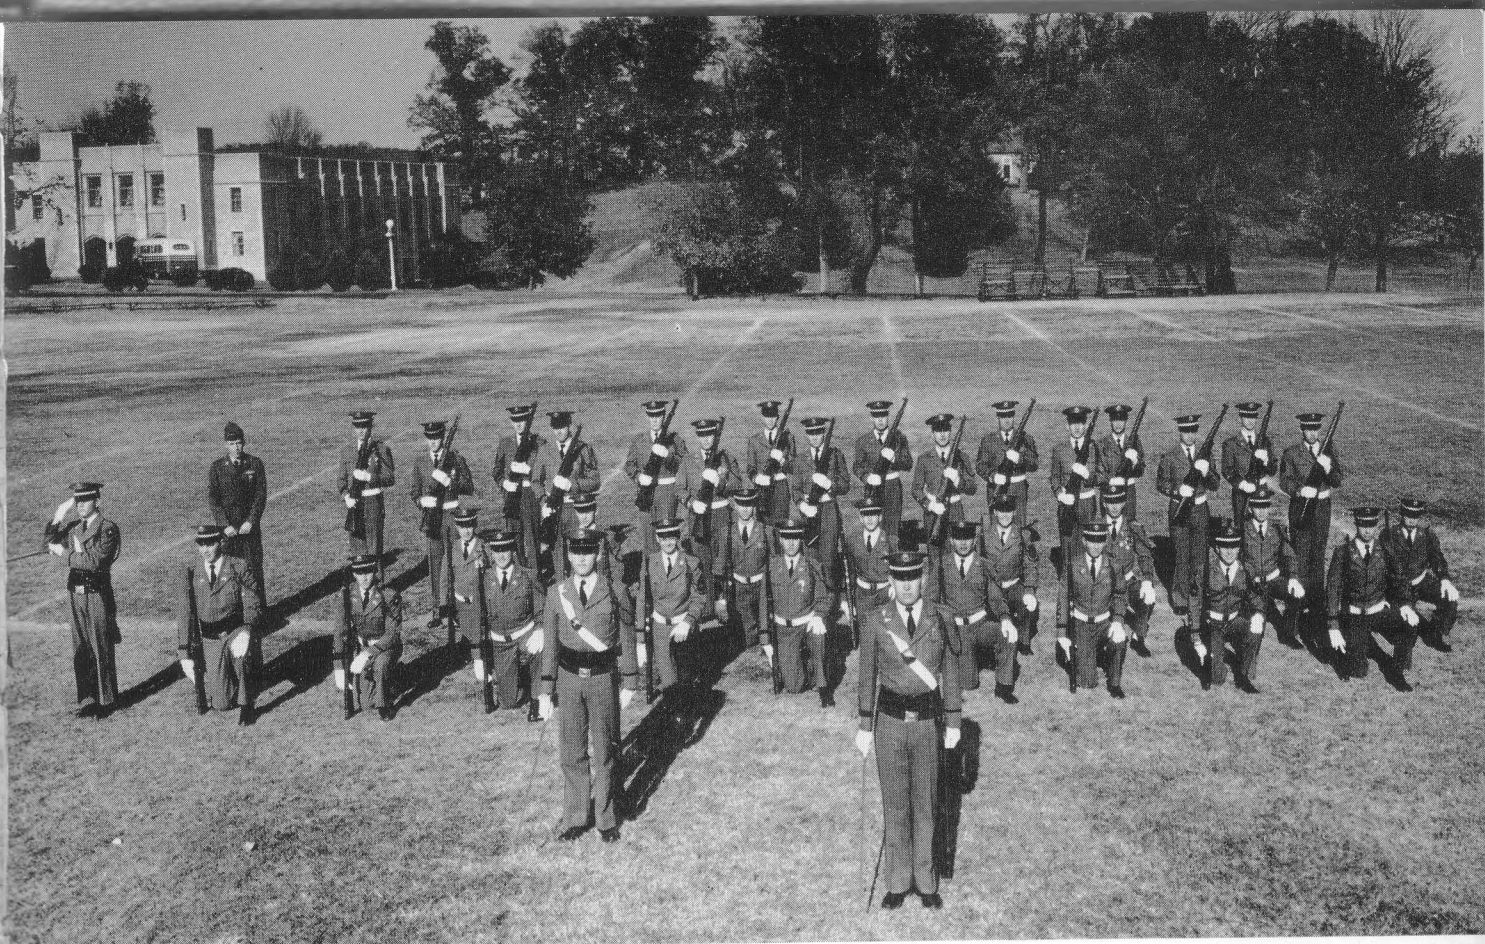

The drill team has made many appearances during the past year, marching with precision in parades held in Waynesboro, Alexandria,

Staunton, and Winchester. Many times this group of boys has brought much praise to the corps.

Each year, the Commander of the Rifles is presented the Dick Young Trophy. This trophy is presented at Finals in honor of Dick Young, Captain of the Roller Rifles in 1949-50.

The Honorary Commander is Col. Charles S. Roller, Jr., and the Sponsor and Vice-Commander is Miss Linda Moorman Roller.

CICERONIAN LITERARY SOCIETY

The Ciceronian Literary Society was founded in 1865 by the founder of Augusta Military Academy, Professor Charles S. Roller. It is the oldest literary society of its kind in the United States.

Many meetings are held to entertain the cadets and to give them a chance to show how well they can do certain things. It helps to develop

self-confidence and poise. Important questions of the day are discussed through debates. Also the literary meeting has several declaimers and readers.

At the turn of the century, the Literary Society was the center of cadet interest as well as one of the main attractions of Finals. Today, the Society still holds a prominent spot in our daily life and at our Commencement.

JUNIOR CICERONIAN LITERARY SOCIETY

This organization stems from the Senior Literary Society. It was established for the younger boys at Augusta. The Junior Ciceronian Literary Society holds debates, has declaimers, and has readers the same as the Senior Society. The purpose for this is to get the younger boys used to what they will come in contact with

when they graduate to the Senior Literary Society.

The Junior Literary Society also gives prizes at Commencement for the best Junior Declaimer. Captain Lucus and Mrs. Davis have done an excellent job in assisting the Juniors, and as a special feature presented a program at the Christmas YMCA.

THE RECALL

It has been the continual goal of the RECALL Staff to produce a bigger and better book each year. It is difficult to imagine the research, toil, and time which contribute to the success of an outstanding yearbook. In the view of an average person, a yearbook is nothing more than another publication. It would be hard for him to realize the itemized proportions that go into the production of such an enterprise. Selling books and soliciting advertisements are only a small portion of the task. Other parts of the making of a first class annual are the making of the dummy, the photography, and the write-ups. The few who

actually do the work have only their own personal satisfaction of a job well done to pay them for the extra hours that they have spent working.

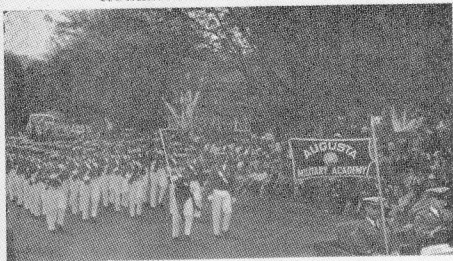

The 1954 RECALL won first place in the Southern Inter-Scholastic Press Association held at Washington and Lee University in Lexington.

This year, thanks to a capable staff and the worthy advice and guidance of Captain C. E. Savedge, it is our belief that we have turned out a worth while edition that is certain to find its place among the long list of other top rate yearbooks which have proven to be an Augusta heritage.

ROLLER RIFLES ON PARADE

The New Roller Rifles For 1955-56

The old members of the Roller Rifles met with Col. Chas. S. Roller, Jr. principal, in his office and elected Cadet Capt. Adrian Howard Commander by a unanimous vote. Other officers elected were: Cadet Harry Sommers, Plat. Sergeant. Cadet Bill Babione, Platoon Guide. Cadet James Hollar, Guidon Bearer. Cadets Rogers, Cuesta, Tomasek (Continued on Page 4)

Quill and Scroll Honors Newspaper For Its Fifth Consecutive Year of Excellence

Edward Nell, Executive Secretary of Quill and Scroll-International Honorary Society for High School Journalists—with headquarters at Northwestern University, Chicago, Ill., has announced that the 1952-53 Bayonet of the Augusta Military Academy has won International First Place A. ward for the 5th consecutive year.

Steve Tomasek

The newspaper was judged on the following points: (1) As a News Medium to inform Readers; (2) As a Leadership Medium to influence Readers; (3) As a Feature Medium to Entertain Readers; (4) As a Business Enterprise. High scores were evenly divided among all four points with Busi-

ness Enterprise taking the highest points in scores.

Steve Tomasek was the editor of the 1952-53 Bayonet and Ray Pope was Business Manager and Sports Editor.

Tomasek is a member of the Roller Rifles, Vice-President of the Student Body, Honor Roll, Captain of "R" Company, Varsity Football Squad.

Pope is now in the U. S. Army and while attending this school was the Battalion Adjutant, Platoon Sergeant of the Roller Rifles, Sergeant - of - Arms on the Student Body, and President of the Georgian Literary Society.

Bayonet, Recall Staff Changes

EDITORS BAYONET

Hollar Trainum

EDITORS RECALL

Howard Tomasek

As everyone knows, for the past years, Major Hoover has successfully and efficiently handled both the Bayonet and Recall.

This year, however, because of Major Hoover's many duties, the staff of both publications has taken on a new look.

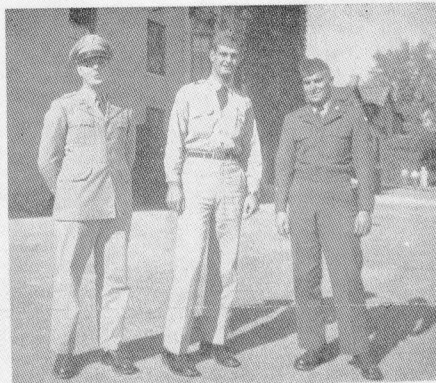

We regret that Maj. Hoover will not be available as he has in the past, but we know that he will help in any way that he can.

The advisor to the Bayonet this year is Capt. Koogler, who is ably assisted by Cadet Hollar and Trainum as editors. Both of these cadets helped with the Bayonet last year and have started off well this year.

The advisor to the Recall is Capt. C. E. Savedge.

He is ably assisted by Cadet Howard as editor. Cadet Howard, with his previous experience, plans to publish the best Recall ever published at Augusta.

A. M. A. WELCOMES NEW FACULTY

A.M.A. is proud to present 3 new teachers. All of these men are newcomers and are well qualified for their positions.

Lt. Livick graduated from Harrisonburg High School, spent one year at the University of Va., during which time he played varsity basketball. The next 3 years were spent at Hampden Sydney where he also played basketball. Upon graduation in 1951 he enlisted in the Air Force.

During his stay in the Air Force, he played and coached, during which time he turned out a championship team.

After his release from duty, Lt. Livick came to A.M.A. as an assistant in the Junior department, and to help with the athletic program.

Lt. Livick, we are proud to have you, and we welcome you to the A.M.A. faculty.

Lt. Hanson is from Staunton, Va., and graduated from Woodrow Wilson High School in 1950.

He then attended Hampden Syd-

ney College where he received his degree.

Lt. Hanson has been, in Col. Roller's words, "a blessing to the Junior department in so many ways."

Lt. Hanson, A.M.A. welcomes you, and we hope you have a pleasant year.

Sergeant Hutton, the latest addition to our PMS&T staff, is a graduate of Elkton High School. During this time he was on the basketball and baseball squads, and did well in both.

Upon his graduation in 1945, he enlisted in the army. From the time of his enlistment until his discharge in 1948, he saw action in the European Theatre, both in France and Germany.

When the Sgt. was discharged, he went to work for Merck Pharmaceutical Co. In 1950, Sgt. Hutton was recalled to active duty. This time he served with the Paratroops.

In 1951, when he was relieved from duty, he again went to work for Merck's. Since then, he's come to help us make this year the greatest year in A.M.A.'s history. WELCOME SERGEANT.

Staff, Band, and Colors Parade In Staunton

The A.M.A. Staff, Colors, and the Band went to Staunton to parade in honor of the showing of the movie *To Hell and Back*.

After the parade, Mr. Gibbs, manager of the Visulite Theater, invited all who took part in the parade, to the first showing of the movie.

Some of the cadets went to the Stuart Hall tea dance instead.

Everyone spent a very enjoyable evening.

Social and Religious Events Mark AMA's Opening

At the first Sunday of the 1955-56 school year A.M.A. was host to 18 Stuart Hall girls, and many other guests who had come to see the first dress parade.

After the parade Mrs. Roller entertained at a buffet supper all of the guests, the faculty and their families.

After the supper everyone went to the Big Room for the first meeting of the Y.M.C.A.

Cadet Doug Trainum and his cabinet were in charge of this meeting.

The guest speaker was Rev. George S. Widmyer, of the Mt. Pisgah E. U. B. Church.

Rev. Widmyer gave a very nice and helpful talk on the subject of the Price Tag.

We believe the YMCA has much to offer, and that every cadet should take advantage of this opportunity.

OFFICERS OF THE 1955-56 Y. M. C. A.

In years gone by, the Y.M.C.A. was usually looked upon as being something which new Cadets had to go to. This year however, it will be different. With the election of the new officers, came a series of new ideas. New Cadets, as well as old cadets, have expressed their appreciation of the new Y.M.C.A. programs.

Cadet Doug Trainum, President, is ably assisted by Cadet Goodloe Saunders, Vice President; Cadet Bill Yates, Secretary; Cadet Ed. Daughtrey, Treasurer, and Cadet Duke Fancher, Sergeant at Arms.

The Y.M.C.A.'s attendance has increased very noticeably with the introduction of new Y.M.C.A. programs. Cadet Trainum promises a variety of new programs and projects.

I know a reporter isn't supposed to give his opinion, but I think this year's Y.M.C.A. will be one of the greatest.

Col. Roller's General Knowledge Column

Col. Roller is a firm believer in general knowledge. How many boys know who the following men are, why they are important, and where they were born.

1. George Washington
2. Thomas Jefferson
3. James Monroe
4. William Harrison
5. John Tyler
6. Zachary Taylor
7. James Madison
8. Woodrow Wilson

There are two things common to all of these. What are they?

Principal Names Jimmy Mahanes President of Student Body

Cadet James R. Mahanes was named president of the student body by Col. Charles S. Roller, Jr., principal.

In addition to this office, Captain Mahanes is serving as president of the Cotillion Club, and as Captain of the band.

His assistants are Steve Tomasek, Vice President; Adrian Howard, Secretary; Doug Trainum, Treasurer; Charles Hollingsworth and Huey Sommers, Sergeants-at-Arms.

Cadet Tomasek is a six year man at A.M.A., and is Captain of B Company.

Cadet Howard is a third year cadet and is Battalion Commander. Cadet Trainum is a fourth year cadet and is an editor on the Bayonet Staff.

Cadet Rodriguez was chosen by Col. Charles S. Roller Jr., as representative of the Spanish boys.

These officers will preside over all cases brought before the Honor Court for violations of the honor code.

Second and Third Year Men Elect Officers

The following cadets were selected class officers for the following year:

Third Year
Cadet James Hollar was elected president of the third year men. Jimmy is the captain of C Company, and hails from Hickory, N. C.

He has, as his assistants, Charles Eumous, whose home is Lynchburg, Virginia, and John Buchanan, of Roanoke, Virginia.

Second Year
The second year cadets elected Elgin Nining as president. Elgin is a Master Sergeant in the colors and is from Orange, Virginia.

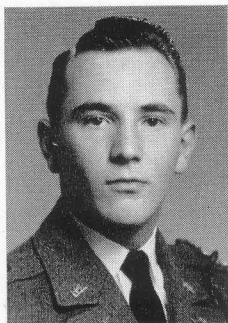

Cadet Jim Turner was elected by the six members of the student body to represent the new cadets on the honor committee.

THE BAYONET

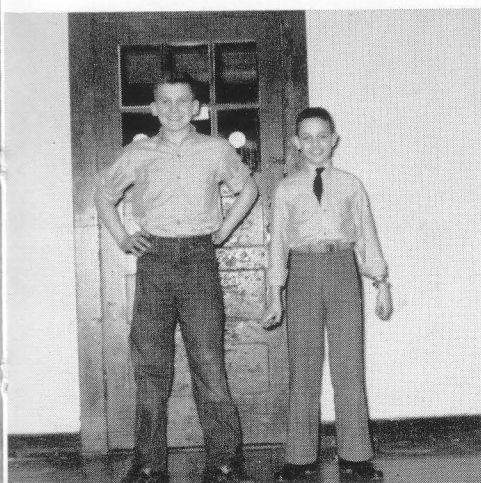

The *Bayonet*, the AMA school paper, was first published in the early part of the Nineteenth Century. The paper continued regularly until 1932 when it was discontinued for five years. Then, in 1937, it was revived in a different format. In the year 1941, it was again changed, streamlined, and improved to keep up with the changing times.

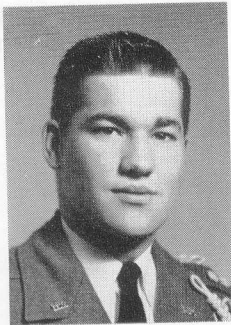

The *Bayonet* really came to the front when it was changed to its present form in 1947. It has always been the aim of each succeeding staff to

further improve on the accomplishments of the preceding years.

The *Bayonet* is an active member of the National Scholastic Press Association, the Southern Inter-Scholastic Press Association, and the Quill and Scroll Society.

In past years the *Bayonet* had Major Paul V. Hoover as the faculty adviser, but this year Major Hoover was forced to sever his ties with the paper, and Captain Glenn Koogler succeeded him.

THE AMA COTILLION CLUB

We, the Cadets of Augusta, owe much thanks to the boys responsible for our innumerable dances this year. We have had more dances, both formal and informal, than ever before. This year the Faculty Adviser, Captain C. E. Savedge, introduced a new practice to the formal dances by having a figure at each and every dance. Formerly, this was a practice which was limited to the Final Ball only. We think that it was a wonderful brainchild, Captain.

From the opening formal in October through the Final Ball, these boys worked very hard to give us the kind of dances that we wanted. Thanks to the boys on the Cotillion Club and the girls from Stuart Hall, we were fortunate enough to spend many Saturday nights in Company Dances and Officers' Dances. Everything in this line of our social life was well handled by James Mahanes and his staff.

DECORATING COMMITTEE

One of the most unheralded and unpublicized organizations at Augusta is the Decorating Committee. Long hours of work without any mention of reward, much less hope for any, is the outlook of this fine group of boys who help to make our dances the successes that they are.

To transform the gymnasium into a castle, a skyscraper, a cabaret, a forest, a home at Christmas, is just another job to be done as far as the decorating committee is concerned.

The task to be undertaken is carefully scrutinized and work is begun only after careful plans have been made. The result . . . a work of art that everyone admires but appreciates very little because he does not realize the work and preparation that was necessary.

The chairman of the Decorating Committee this year was Dick Mower who did the finest job which had been done in years.

THE PIN-UP QUEEN FOR 1955-56

MISS MARY LOUISE OLIVER

Miss Mary Louise Oliver, of Gadsen, Ala., and Stuart Hall, Staunton, Va., was crowned the Pin-Up Queen for 1955-56 by Col. Charles S. Roller, Jr. Her escort was Cadet Warren White.

Miss Anne Kauffman, Suffolk, Va., and Fairfax Hall, Waynesboro, Va., was First Princess to the Queen, and her escort was Cadet Jimmy Mahanes.

Miss Kathrine Bonfoey, Staunton, Va., and Mt. Vernon Seminary, Washington, D. C., was Second Princess to the Queen. Her escort was Cadet F. E. Wirkus, Jr.

Inaugurated by the *Bayonet* Staff, the AMA newspaper, and the Cotillion Club of 1943-44, the affair has gained in competition and popularity each year. The Queen was crowned in royal splendor with the flashing of sabers and colors to the tune of the Coronation March. Her Majesty and her Princesses worshipped at the Old Stone Church, Sunday Morning, and then took part in the Sunday Morning Inspection of the Barracks. Following this, dinner was served the Royal Group. Later in the afternoon, the Cadet Corps marched in review in a Full Dress Parade, bringing to an end the festivities for the Queen and her court.

FINAL BALL-1956

A salute to Colonial America, the 1956 Final Ball's theme, gave AMA the greatest Final Ball of them all. With "General George Washington" leading the figure, other Colonial heroes represented were Benjamin Franklin, Patrick Henry, John Adams, Thomas Jefferson, Captain John Smith, Paul Revere, Cecil Calvert, and William Penn, portrayed by the Officers of the Final Ball. The young ladies of the figure carried arm bouquets of varicolored spring flowers, and were presented with favors

which were different from those ever given before at AMA. The Mothers of the eight leaders were seated in a special section and were presented with their sons at the opening of the figure.

The gymnasium was transformed into a ballroom of green, white, and aluminum, with silhouettes of the Colonial period leaders along the side walls. This provided a fine setting for the intricate figure executed by the officers of the Academy and their dates.

THE ADVERTISEMENTS

Advertising has become one of the leading influences in the lives of Americans, and through advertising we are treated to the finest in entertainment on Television, on the Radio, and in Magazines. So it is with the **1956 Recall**, which has been made possible through our advertisers. Timeless memories will be recalled through the pages of this yearbook, and with it will come a careful survey of the friends of Augusta. We thank them and we are grateful for their help and influence.

TO ALMA MATER

"Our High School friendships
Soon must sever,
But memories will not fade away,
Of thee, our very own Augusta
As through this life we wend our way.
We love thy ideals and traditions,
They've made us what we are today.
We will return to Alma Mater—
Our Dear Old AMA."
